ROBIN

1955

Foreword

Hello!

In our 1955 "Robin" you will see that we, the senior class of Robinson Township High School, Moon Run, Pennsylvania, have chosen still life as our theme.

We have selected this because we feel that an abstract conviviality binds our class. This closeness has been inherent for about twelve years, and naturally, it increased as we grew older. Of course, we had our ups and downs, and our closeness abandoned us temporarily. Yet, by the time we reached junior high school, we were really beginning to appreciate and understand each other.

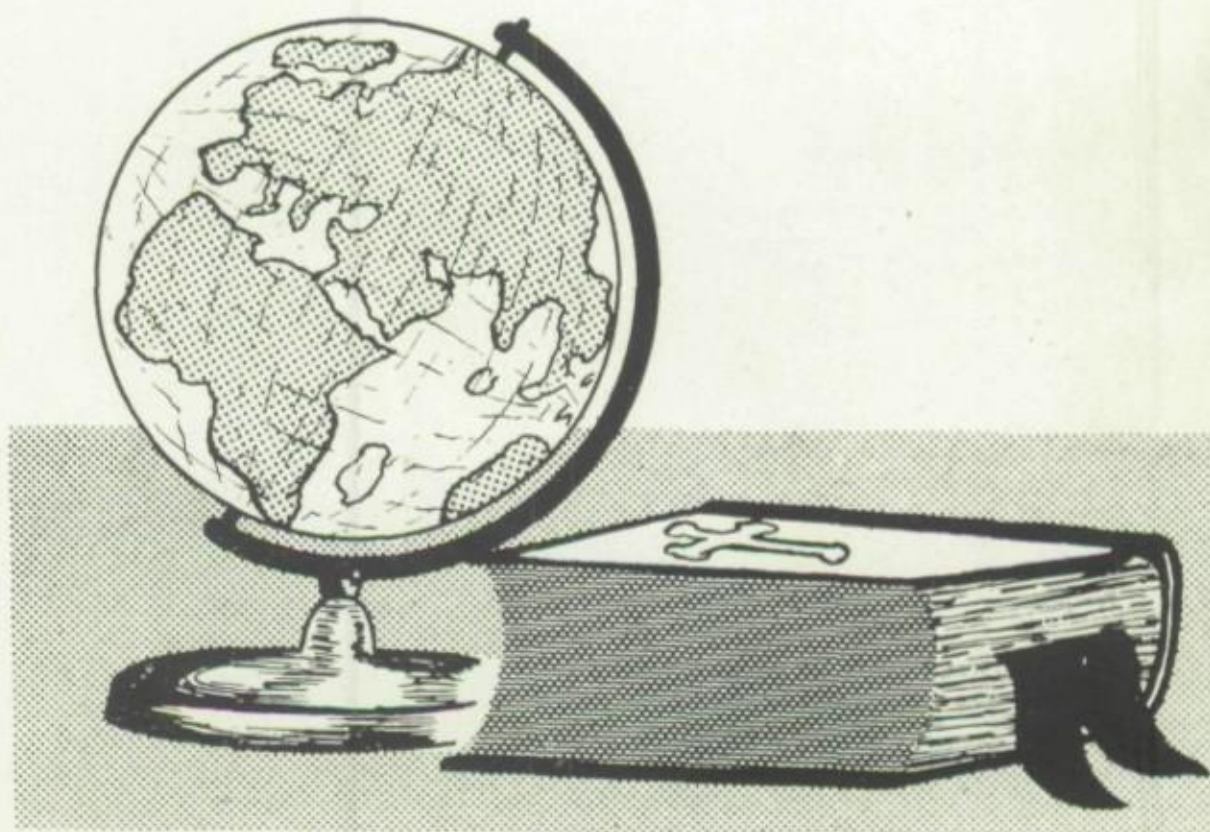

In our freshman year, tragedy struck! A well-loved member of our class, Mitchell Reali, suddenly passed away. Grief struck with such rapidity and such impact that it is still impossible to fully express our great loss.

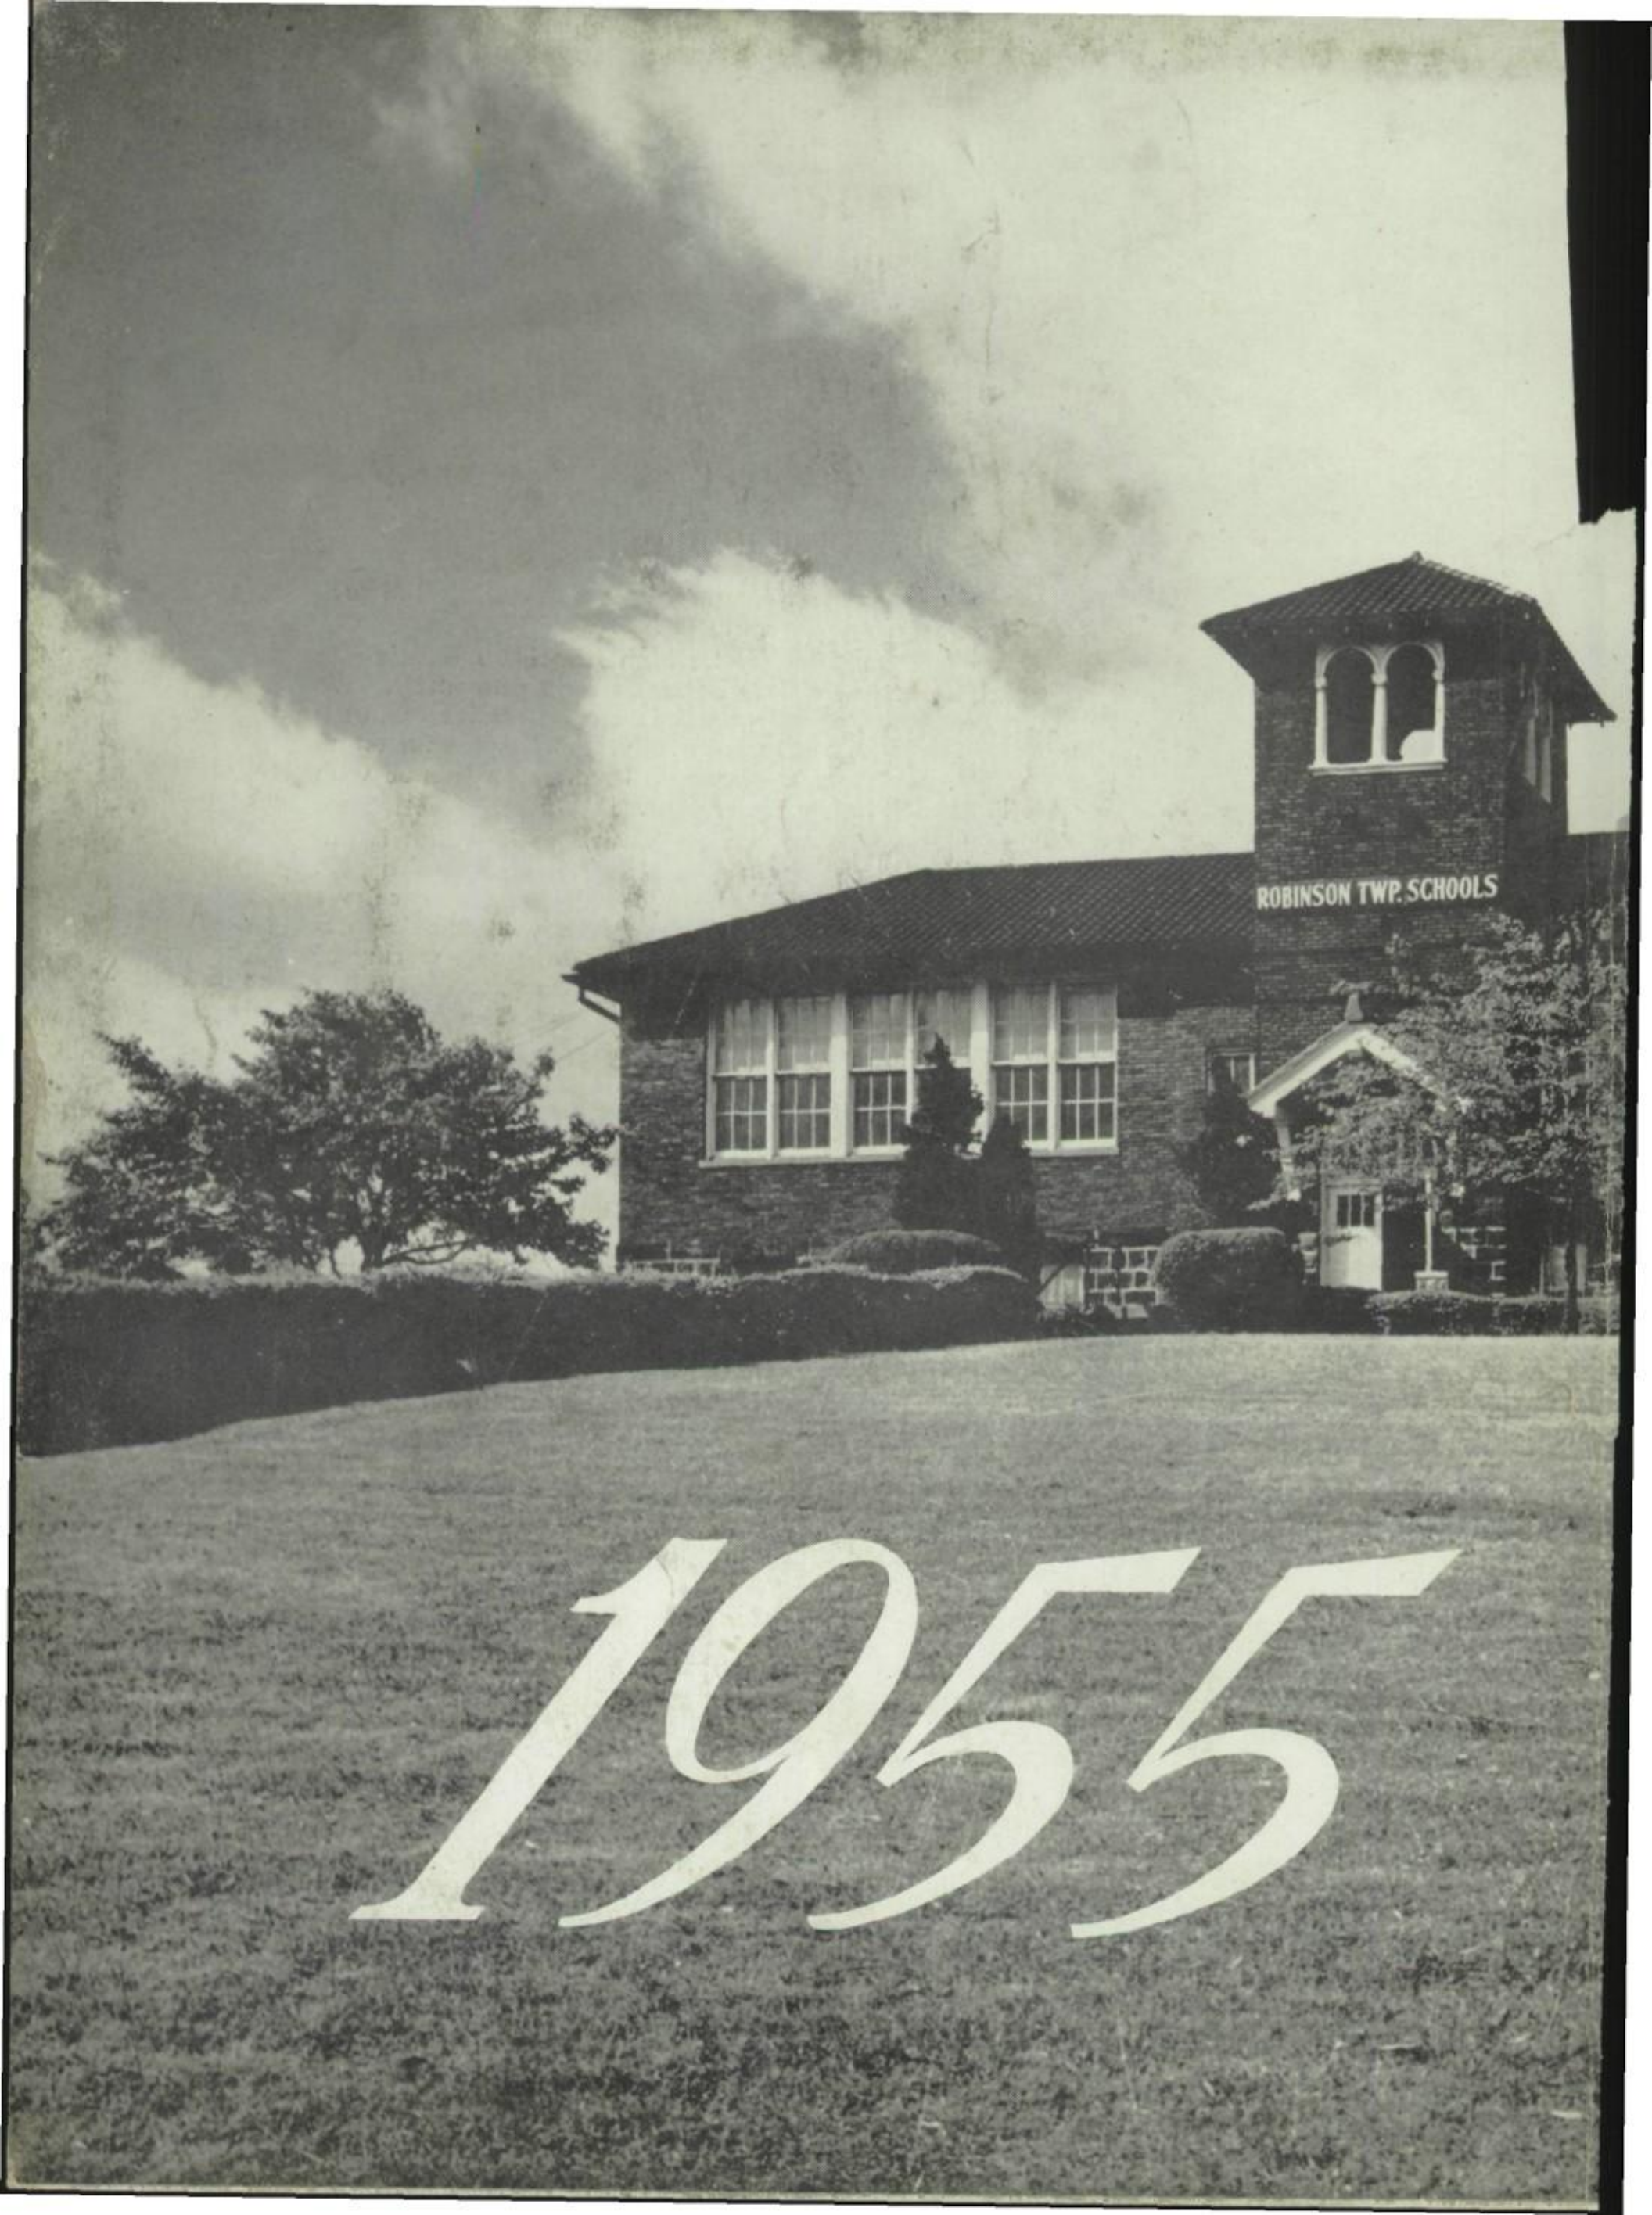

Upon entering our sophomore year, and senior high school, we once again became acquainted with each other just a little better as days passed by. We became a part of all affairs, activities, and organizations, and realized what it meant to have something either become a success or failure. We were fortunate to meet only with success, and graciously accepted all its monetary value with open arms, as this was badly needed in our junior year.

To be a recipient of a class ring gives one an inward feeling that is unsurpassed. It makes you feel both proud and honored to be considered a part of our great school. Although we were in that stage called adolescence, we began to feel grown up. Our first prom, then the class play, were thrilling experiences. From the play auditions and rehearsals developed a cast worthy of praise, which gave a performance outstanding. It was surprising for the student body to learn that our treasury would permit a marvelous banquet at one of the finest country clubs. And we must admit, it was wonderful. Everything was carried out to perfection.

But now, the awakening of the perfect dream of the past twelve years, has proved successful. Thanks to the sturdy, but gentle, hand of our teachers, we can be proud of the knowledge accumulated in the past, because now in our senior year, we know just how precious that education is.

May all future classes realize the importance of a good American education obtained here in a free American school.

Dedication

We, the senior class of 1955, chose to bring back memories of a fellow student, Mitchell Reali, whom we feel met his destiny much too early in life.

This dedication of our "Robin" is to permit you, the reader to know just how we, the seniors keep "Mitch" in mind during our everyday activities.

His pleasant smile and friendly "Hi" were mannerisms that embedded themselves in the minds of all he passed daily. He was an active member of the band, in which he played alto saxophone.

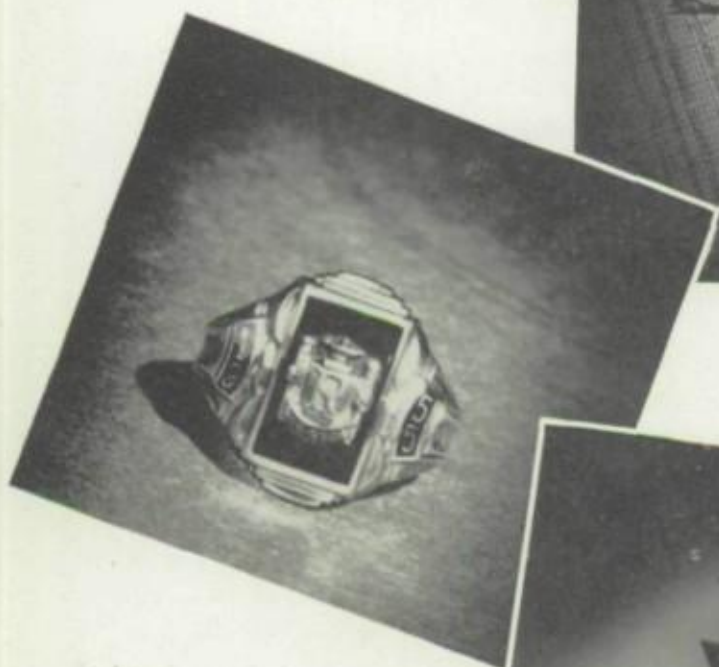

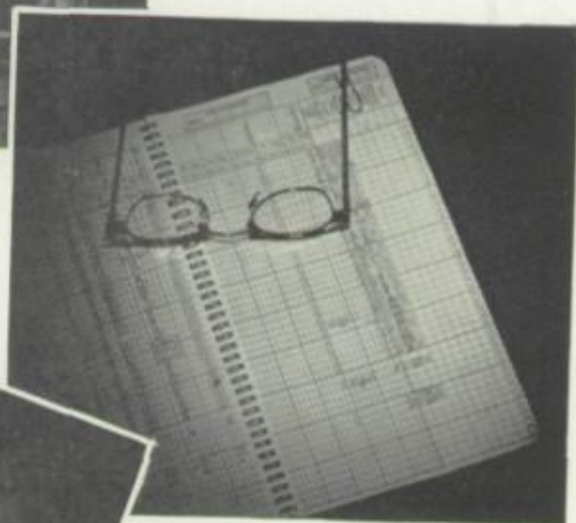

Mitchell will always be remembered, by all who ever knew him, for his everlasting enthusiasm and spirit. His pleasing smile and ways will never be forgotten.

This is a small token to let "Mitch" know that he is still considered a part of the class of '55.

Alma Mater

On the hills of Allegheny, 'neath the western sky,
Proudly stands our dear old high school, on the hilltop high
Flag we love, black and gold, wave aloft for aye,
May we all be leal and loyal to thy memory.
When the evening twilight gathers, and the shadows fall,
Linger long the golden sunbeams on the western wall.
Flag we love, black and gold, wave aloft for aye,
May we all be leal and loyal to thy memory.

History of Robinson Township School

The title page of the '55 Robin illustrates for you the Robinson Township's High School of today. Within its walls one-hundred and eighty-one pupils are preparing themselves for the future.

Just as everything else had its start, so did Robinson High. The following paragraphs present a brief history of our ever-growing school. In 1911, the first high school of Robinson Township had its start. Classes took place at the old Hall school in Gayly. It now serves as a dwelling house and is occupied by John Rowe. Classes were held there for one year, and then moved to the frame grade school building in Moon Run. The two front rooms upstairs served as classrooms. The first class graduated from this building.

In the meantime, the original high school was built. The dedicatory exercises took place in the Robinson Township High School building on Monday, September 6, 1914.

The school consisted of just four classrooms. The present home economics department was used as an auditorium and the music room was used as the gymnasium. In 1915, the first commencement exercises took place on Wednesday, May 26, at 8 p. m. The Union United Presby-

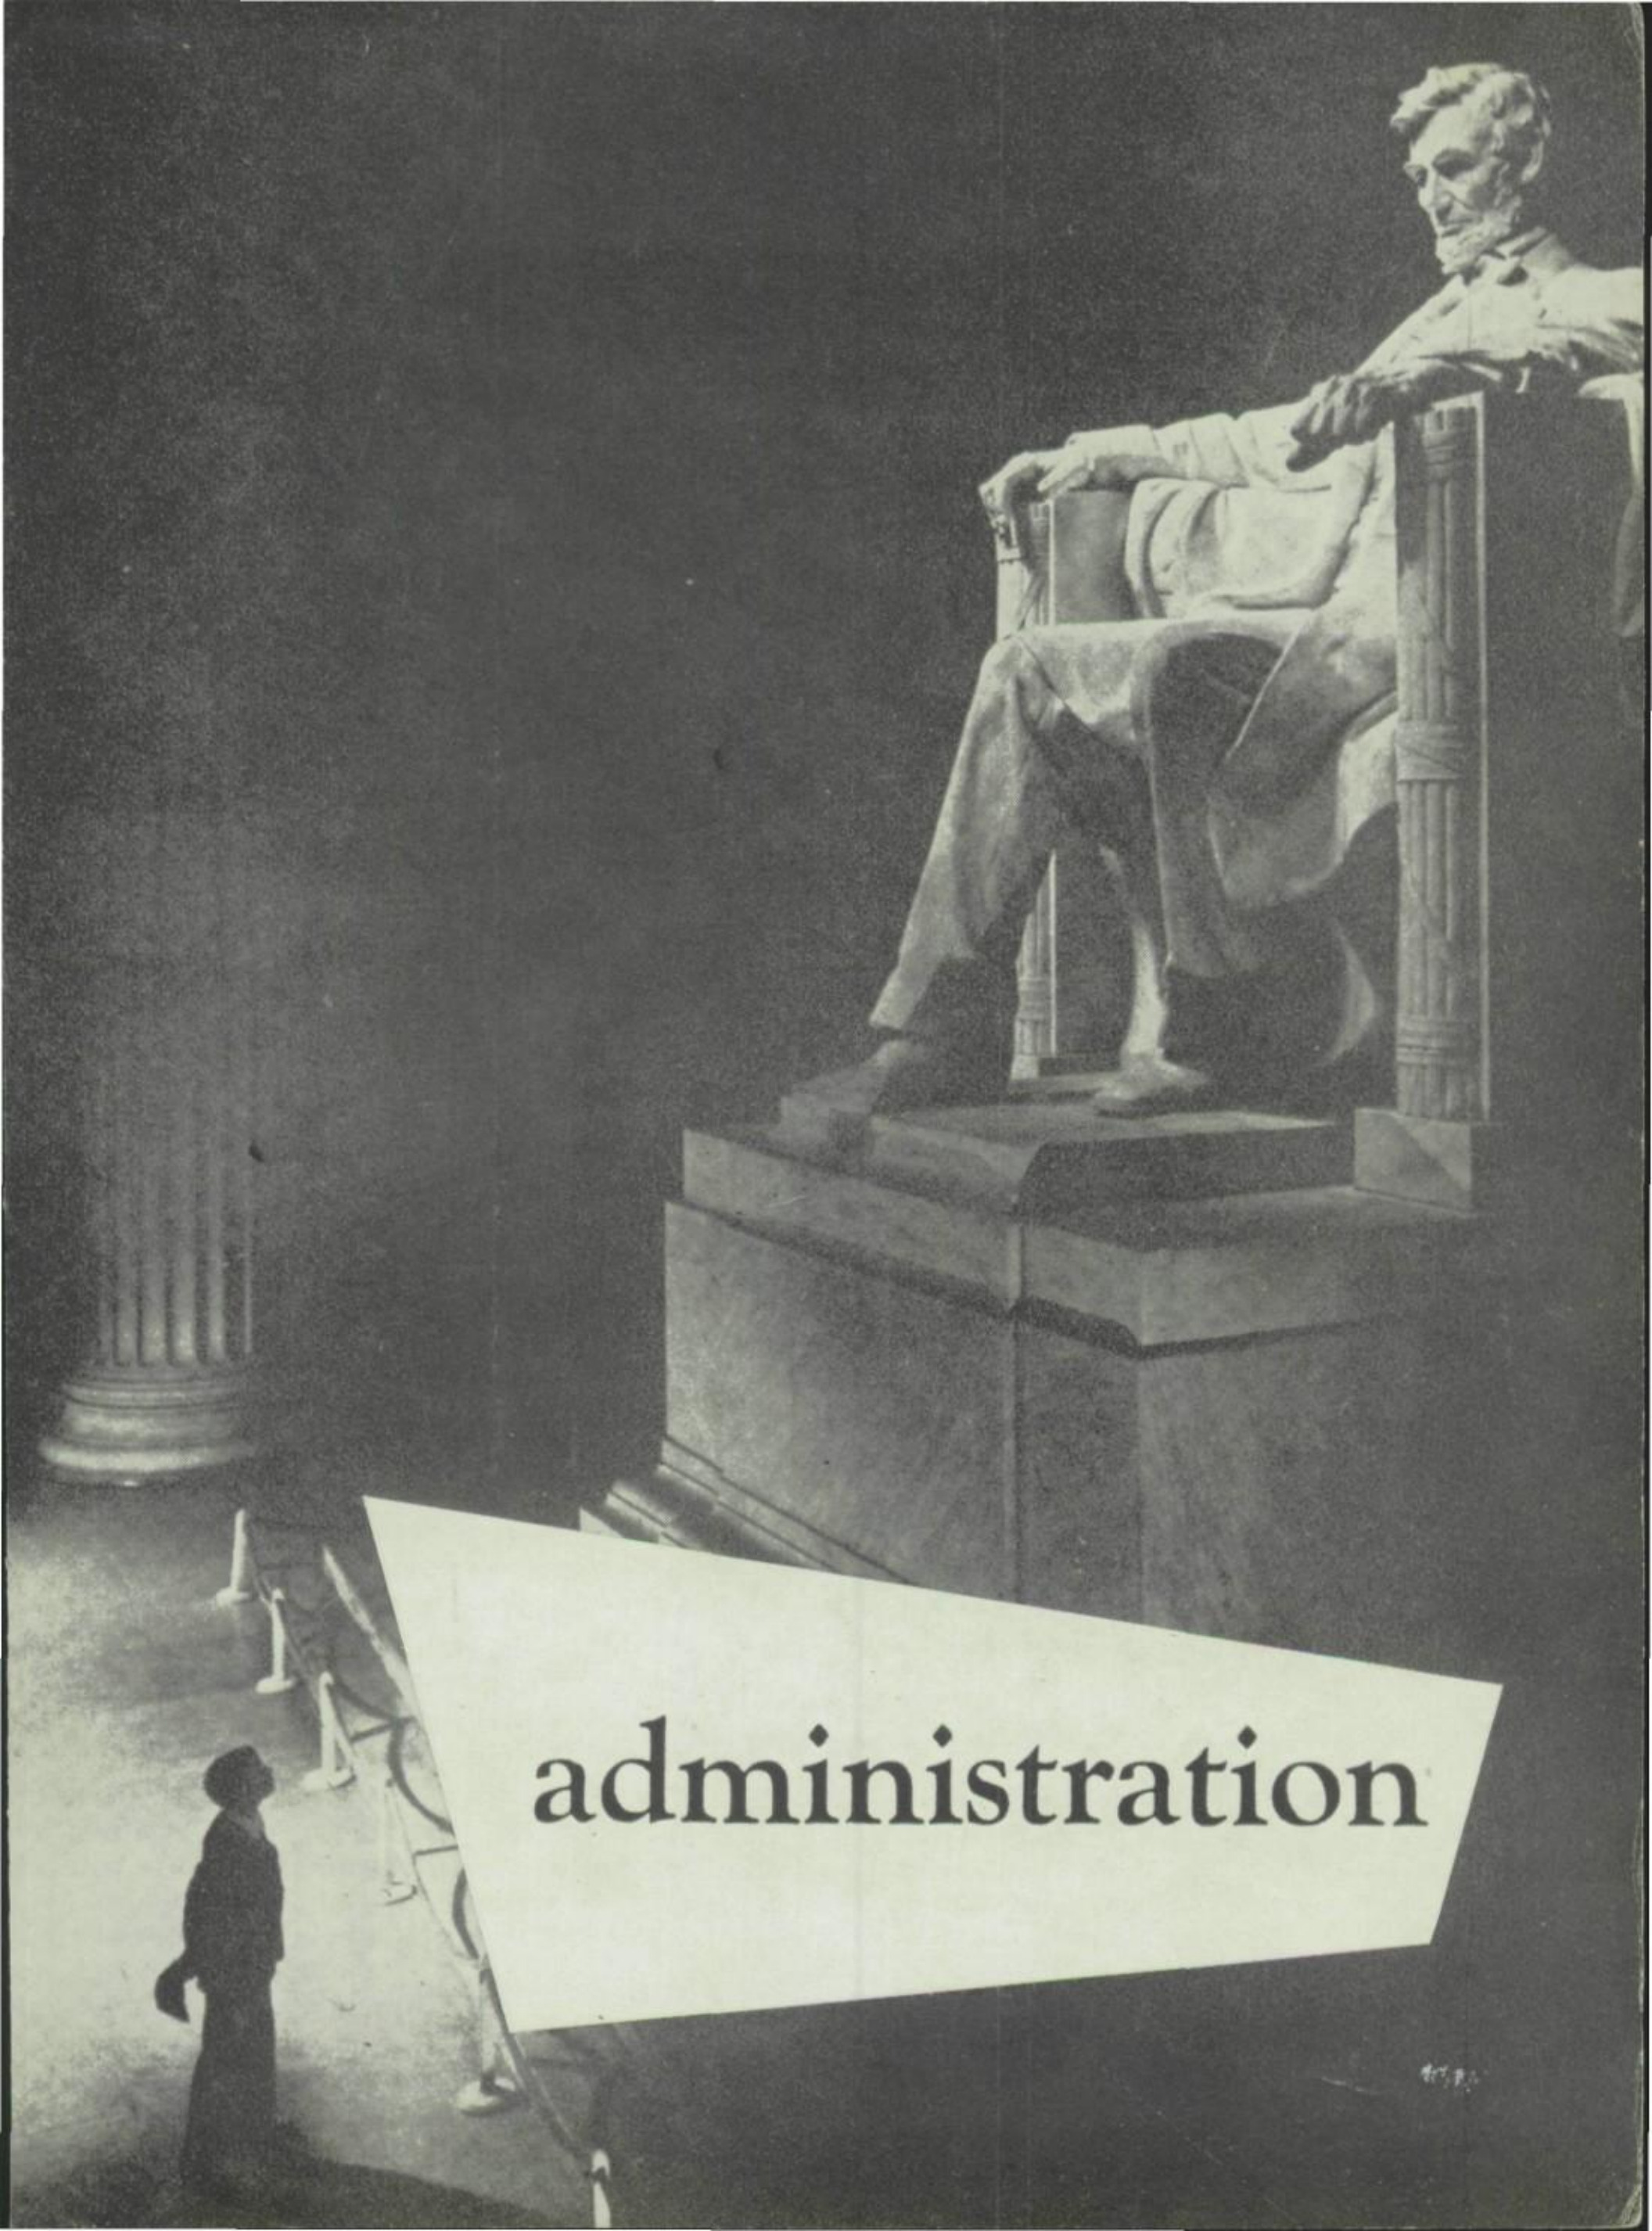

terian Church in Gayly was the site of the ceremony. Eleven seniors were presented with diplomas.

Classes continued in the new building for ten years, when the increase in population necessitated more room in the high school. Rooms extending from the principal's office to the end of the building were added to provide for the need of more space. The Junior high and Grove-ton schools were being constructed during the same period.

In December 17, 1948, Robinson celebrated the opening of their new homemaking departments.

One of the finest things that ever took place at Robinson, as many students put it, was the presentation of the modern cafeteria in 1951. The cafeteria is a section of the relatively new J. W. Burkett building. It is a rare occasion now to see anyone carrying his own lunch to school.

The previous paragraph brings us to the present state of the school. You have read how our school has progressed and grown through the years, and you may be sure that it will grow and progress. Someday Robinson Township will be classified as having one of the finer high schools of this area.

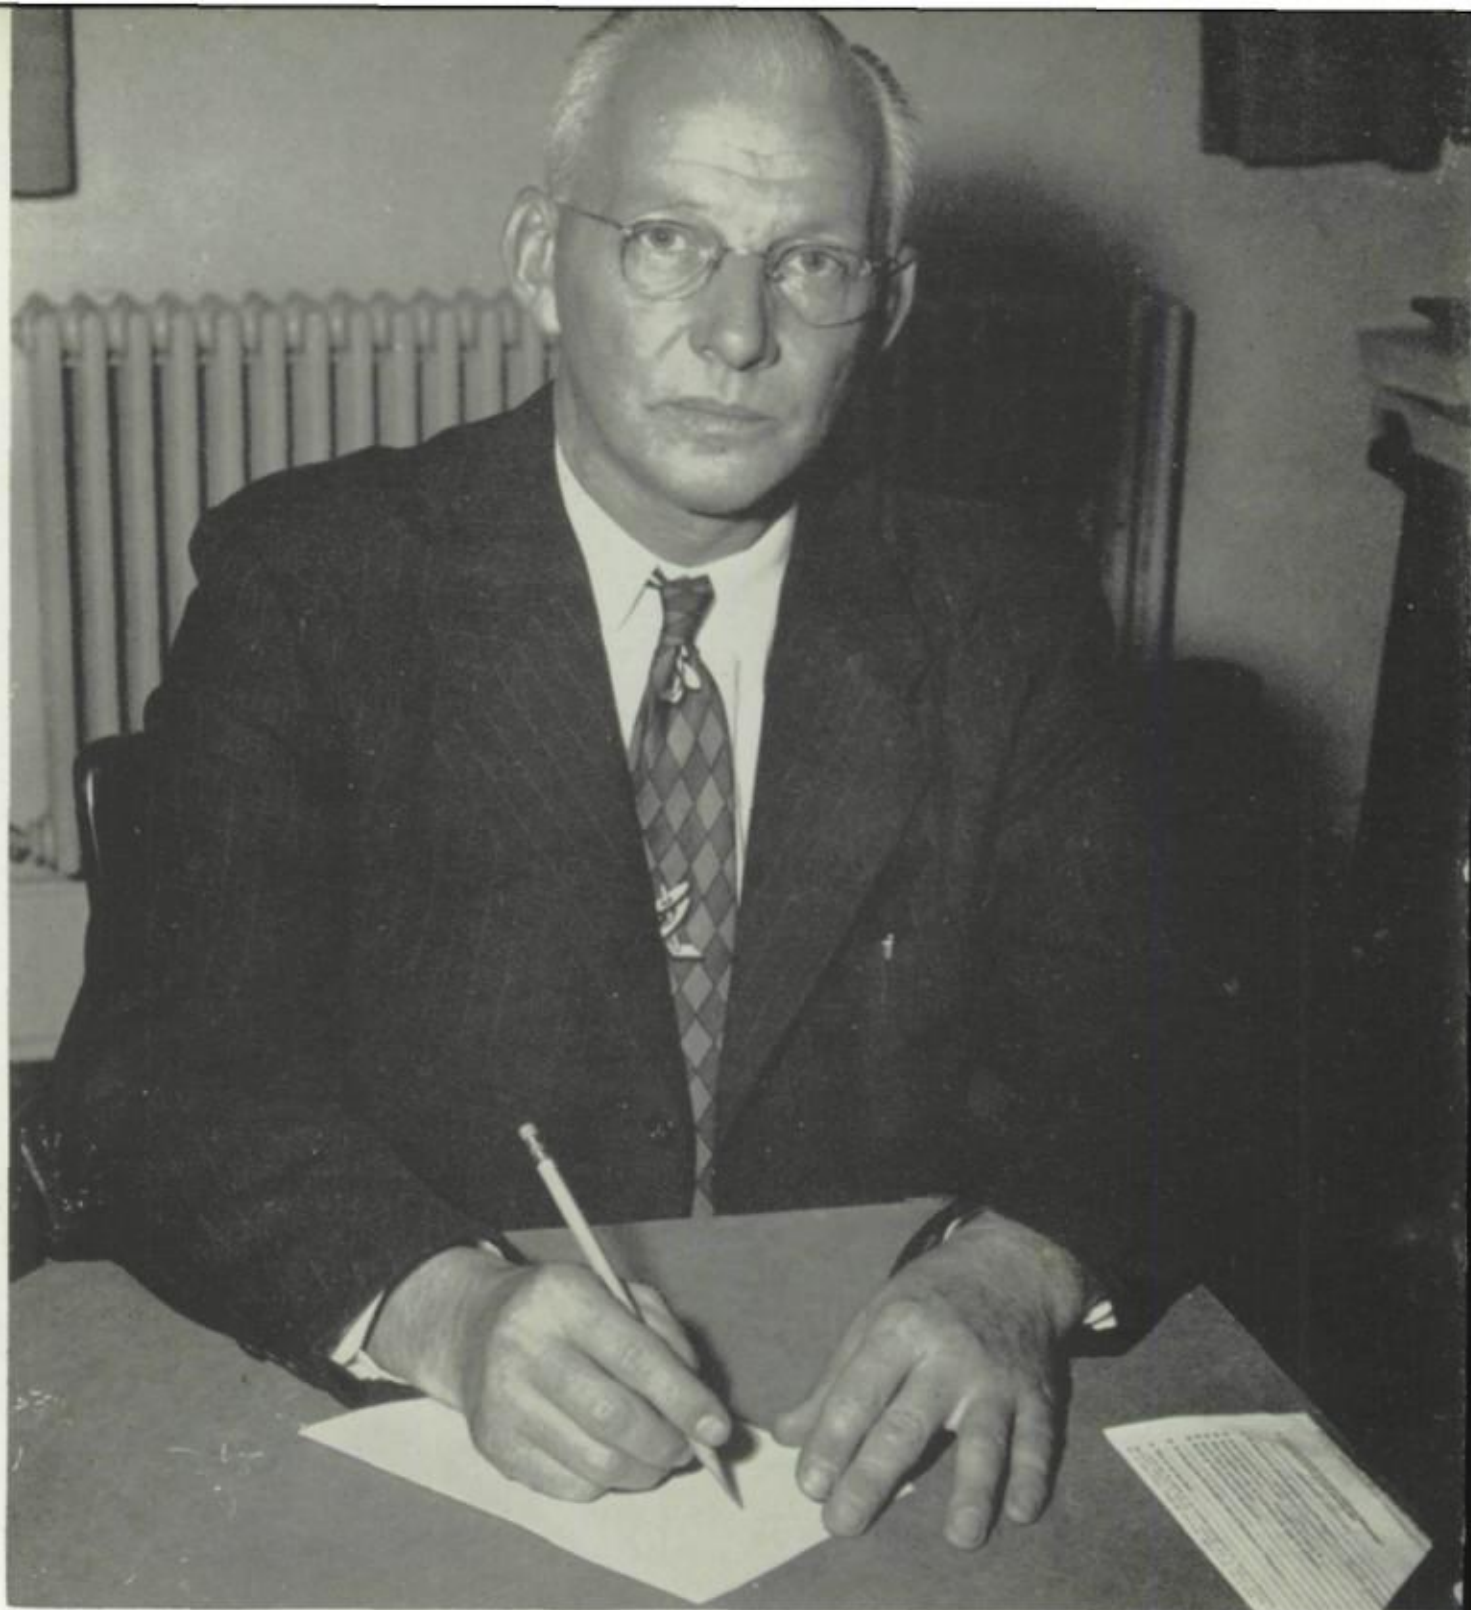

administration

Supervising Principal

Mr. McCullough is a man all of us recognize as a fine administrator, leader, and advisor.

As well as being supervising principal and having many responsibilities, he is known to all of us as a true friend. He is a man who typifies the spirit of Robinson in all that he does. Never once failing in his duties, he has brought tribute to the school and honor upon himself.

His friendliness, kindness, and sincerity toward both students and faculty alike will long be remembered by those who have had the good fortune to know him here at Robinson.

MR. RAYMOND L. McCULLOUGH

MRS. GLORIA PAPST
Secretary

"Young people should not wait too long before they have an aim in life. Every student should know where they want to go and what they want to do. Let us all hope that you have an aim in life and can attain this aim which you have set for yourself."

Hearty congratulations to the class of 1955. My sincerest wishes for a successful, healthy and happy future.

Principal

"We can be proud and happy to have this personable young woman as our principal. Supplementing her splendid personality is an appreciation of each student's right and the ability to make friends quickly.

She is always eager to hear our "gripes" and problems and is ready to help us in any way that she can.

It has been a pleasure for every one of the Seniors to be associated with her. She is respected and admired by all who have known her.

We the Seniors would like to thank Miss Scavariel for all that she has done for us during our stay in Robinscn.

MISS ROSEMARIE E. SCAVARIEL

"If I were to be asked what best spelled out success, I should answer unhesitatingly, "Persistence." Persistence is the adamant refusal to be defeated even in losing, the plodding along in the face of obstacles seemingly unsurmountable, the attack on problems head on without evasion, and the courage to stand steadfast in spite of setbacks and opposition. I wish for you just the right amount of persistence to help make your lives ever wholesome and completely satisfying."

MISS LOIS CERCONE
Secretary

To the Seniors I send my most sincere good wishes for many and many a year.

Robinson Township Board of Directors

We, the class of '55, wish to express our whole hearted thanks to Dr. Burkett and his staff.

Through the years they have always been on hand to give advice and to act in the best interest of our school.

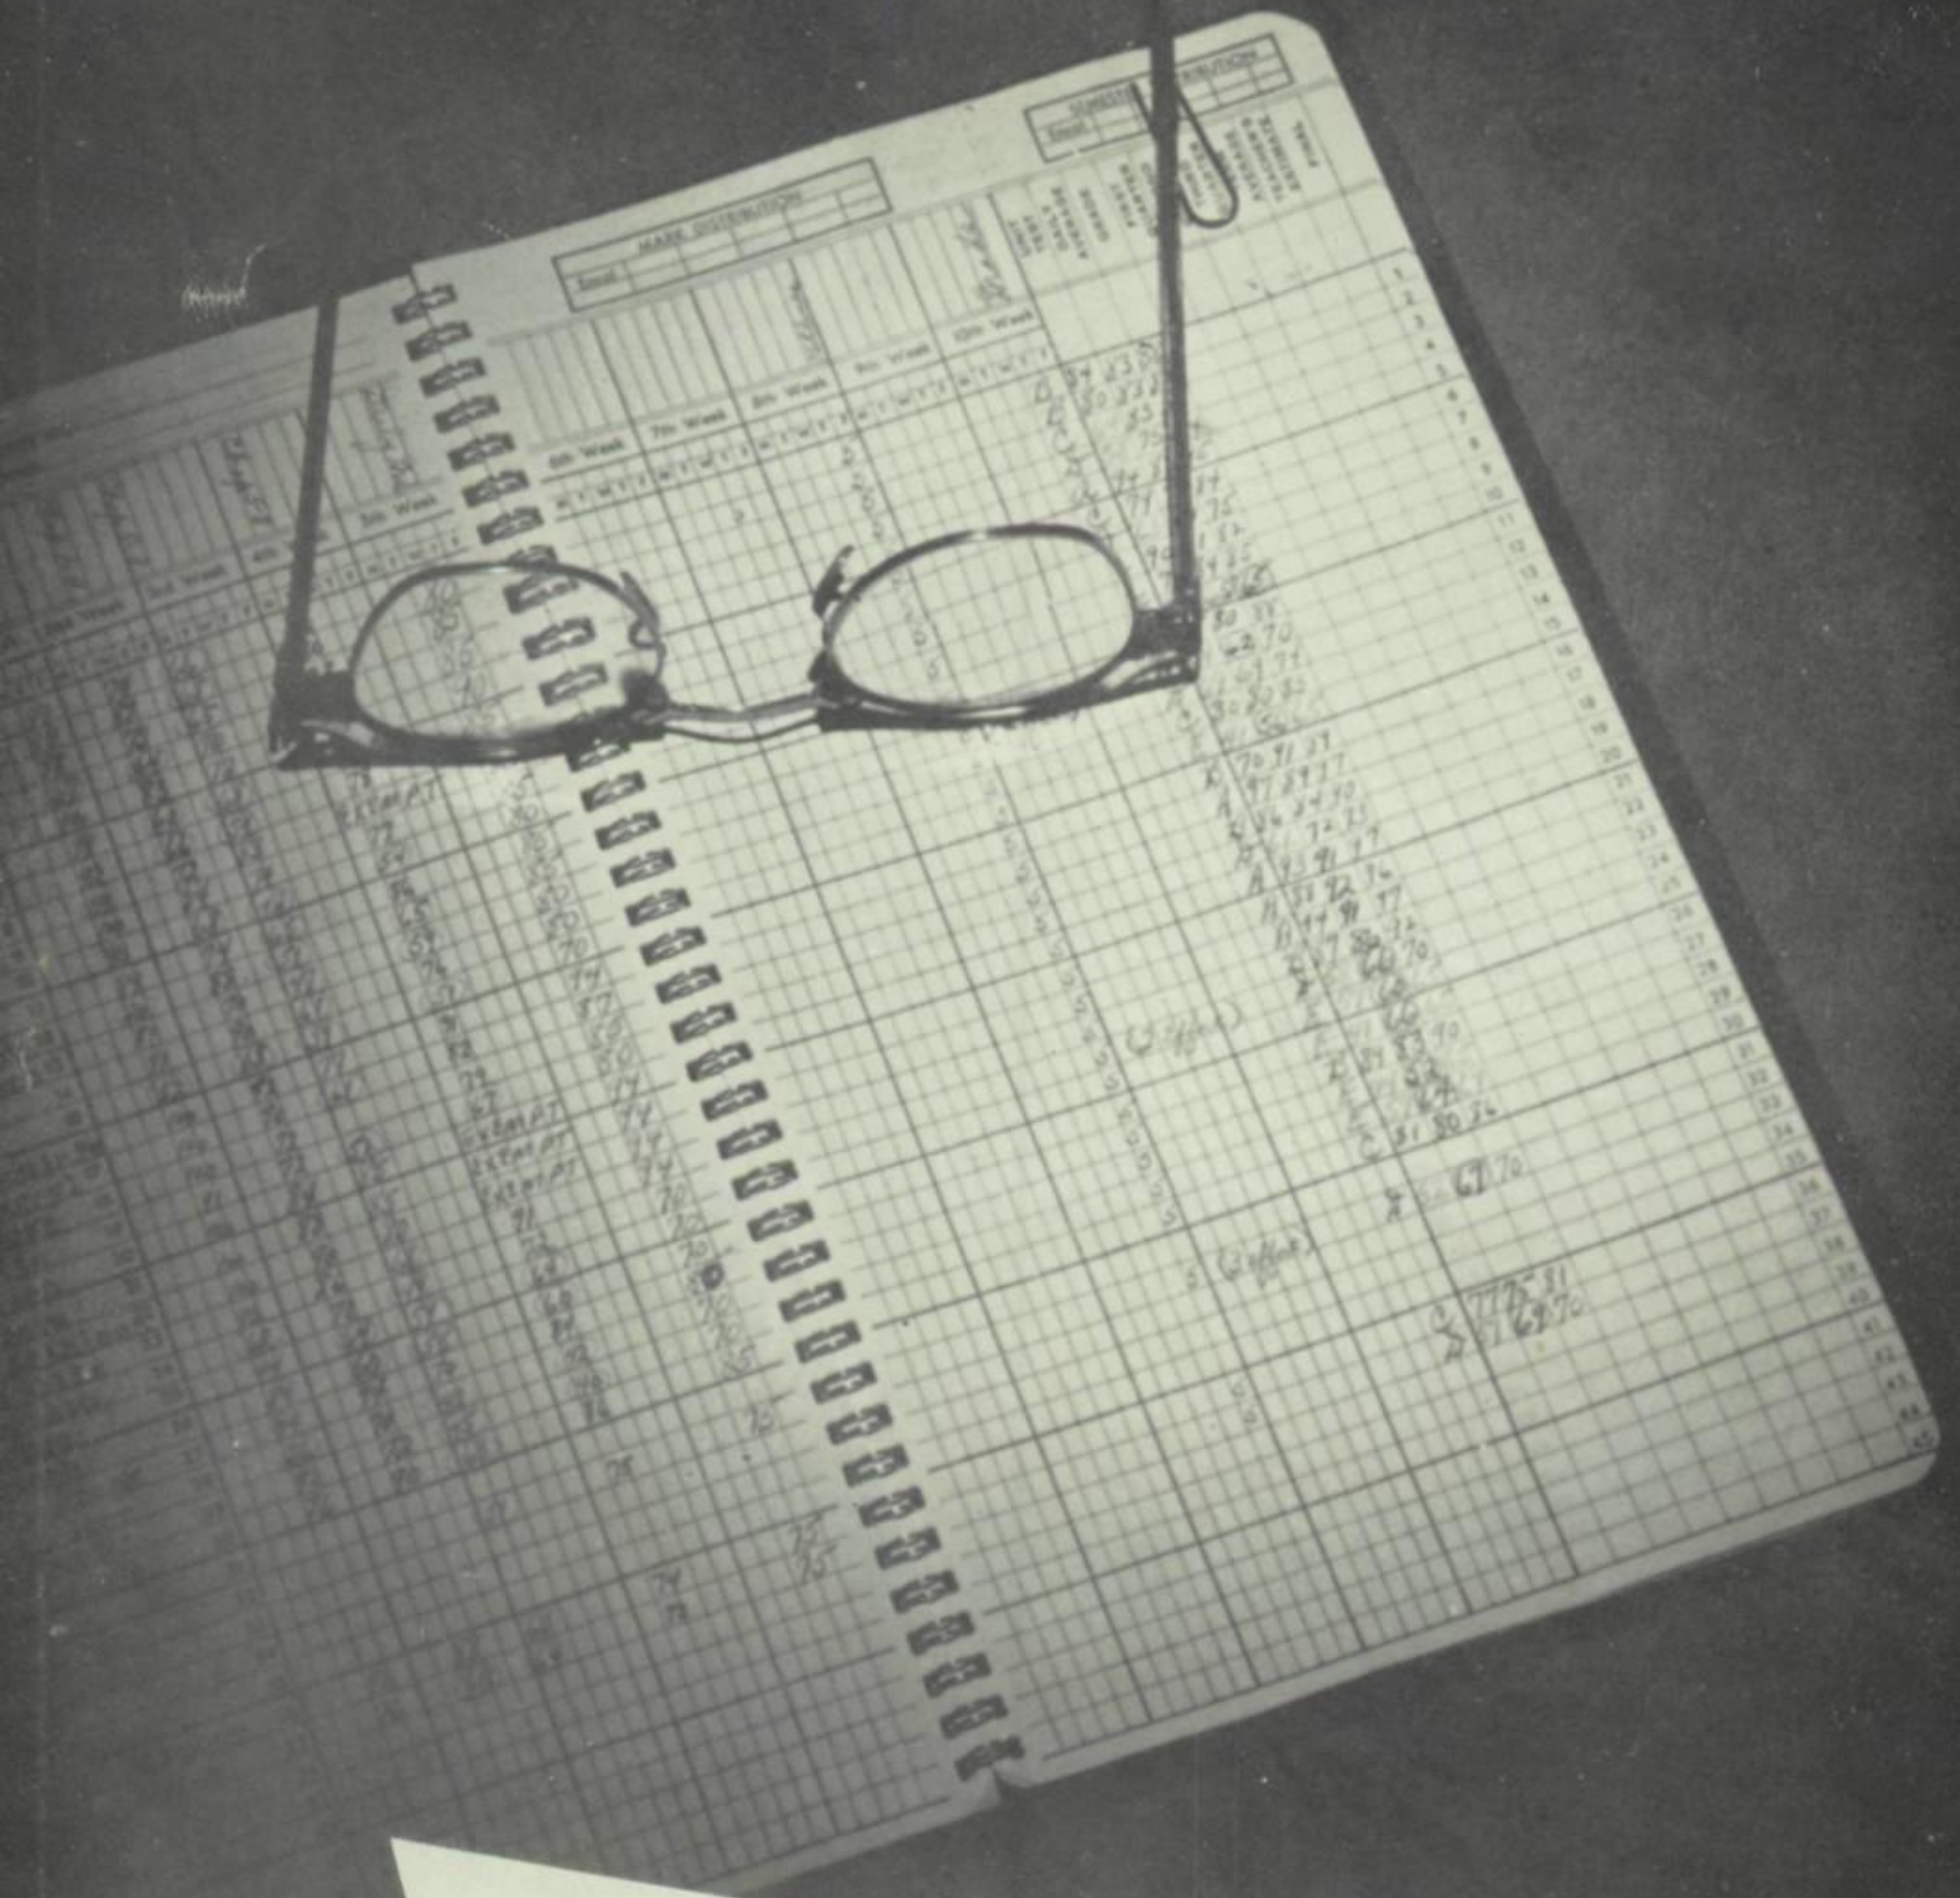

Through their capable and efficient direction, the school has progressed to the satisfaction and pleasure of all in this community.

The board will be faced with many problems in the coming years, but we have confidence in their judgment.

"Ag. Boys in action"

"Football King and Queen"

"Bill Martin and his trumpet"

"Good Ole Fashioned Hoe Down"

VINCENT ANNESI
"Vince"

Not too tall, but dark and handsome
Always very neatly dressed
He was new to us last year
But now Vince is one of the best.

GENEVIEVE ARCH
"Gen"

Full of fun, witty as can be
No one lives closer to the school than she
Quite a hit in our class play
Keeps us laughing every day.

MARION BASL
"Micky"

Tall and slender, rather serious
For schoolwork she becomes delirious
A loyal study hall fan is she
And what a riot it turns out to be.

ELMER BLUMLING
"Elmer"

Blonde hair and quite tall
His cheerful smile is liked by all
He talks about sports a lot
For in our football line he fought.

GEORGE BUTYA
"Georgie"

Here's a real good looking fellow
Who has very bashful ways
And is a real lady-killer
Who helped backstage in our class plays.

BARBARA BERTHOLD
"Barb"

Gym she likes best of all
Enjoys the most playing basketball
Nothing fancy for this gal
Approved by all, a real pal.

NANCY BURKE
"Nanc"

For laughs this girl heads the list
And for our Robin a dependable typist
All her spare time she did send
To the McKees Rocks five and ten.

ROBERT CLEMENTS
"Clem"

Short blonde hair, very tight curls
Sure is the envy of many girls
Down at Kenner's he does work
His jokes really make our ears perk.

Gwendolyn Gaspare
"Gwen"

Each night was spent at Twin Hi-Way
Quite a hit in our class play
Chosen "Best Dancer" by our class
A sprightly cheerleader is this lass.

Raymond Gruber
"Ray"

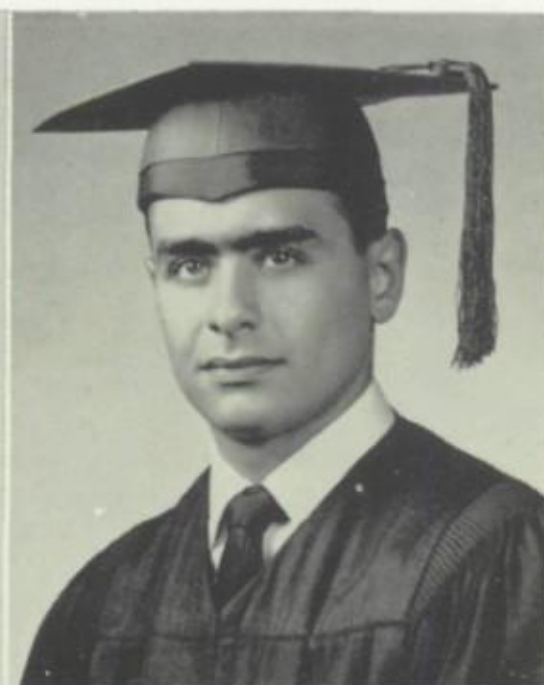

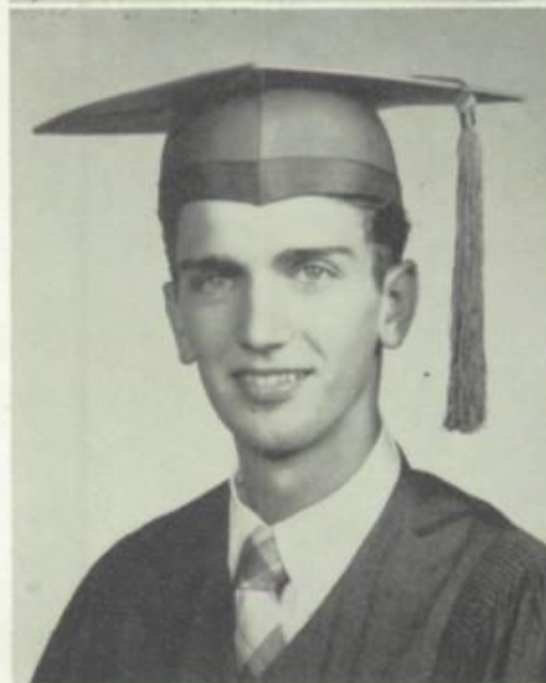

Laughing and joking; that's Ray
With the girls, he has a way
One of the gridmen, who likes to dance
You'll like Ray at first glance.

Gilbert Finnell
"Gil"

Here's an easy going, fun-loving boy
Throughout the class he spreads joy
He reigns as president of the band
And has a Neville girl by the hand.

Marlene Geiger
"Mike"

In shorthand she is on the ball
But those letters to Dick aren't short at all
Scholastically good, always neat
This gal, Mike, is hard to beat.

Mildred Denninger
"Mil"

This gal's got the latest style
And to her the boys all bow
We think she's cute and really great
And to Latin class she's always late.

John DiStefano
"John"

Here's a boy who loves to dance
And all the girls he does enhance
A pleasant lad, whose clothes are keen
In his "Olds" he is usually seen.

William Fallett
"Bill"

A green Ford brings him to school each
day
This lad is "brainy" in every way
His work is always very well done
He's one of the gang from Moon Run.

Nancy Carlin
"Nan"

Always seen with a smile
Knowing her is sure worthwhile
On her left hand, a sparkler is found
In shorthand, she's one of the best
around.

Richard Madler
"Rich"

A good student indeed
Chosen "Most Likely to Succeed"
A sports participant of high quality
And very dependable, we all agree.

Victoria Jurena
"Vicky"

A majorette always on the go
Tops in strutting we all know
A gift of gab this gal does possess
Her future spells Bib, she does confess.

Audrey Kaczmarek
"Aud"

Always has something humorous to add
Always happy, never sad
Quite a giggle this gal does possess
To a party bid, she'll always say "yes".

James Malarky
"Jim"

Here's a boy who's full of pep
With the gang he's right in step
That '52 Ford he drives has class
It has captured the eye of a cute blonde
lass.

John King
"John"

Quiet and a rather reserved lad
A finer fellow couldn't be had
Drives a Kaiser and hardly ever stops
To our classmates he is "tops".

Joan Hauser
"Joan"

Joined us in our junior year
Hailed from Bellevue, welcomed here
Where there's Bill you'll find her there
Happy go lucky, never a care.

Vesta Jamison
"Sis"

A majorette at every football game
A nurse to be is her aim
Quite a brain is this lass
She ranks high in our senior class.

Henry Kness
"Hank"

A little package, but very spry
He appears to be rather shy
He and schoolwork don't get along
But in choosing him your friend, you'll
never go wrong.

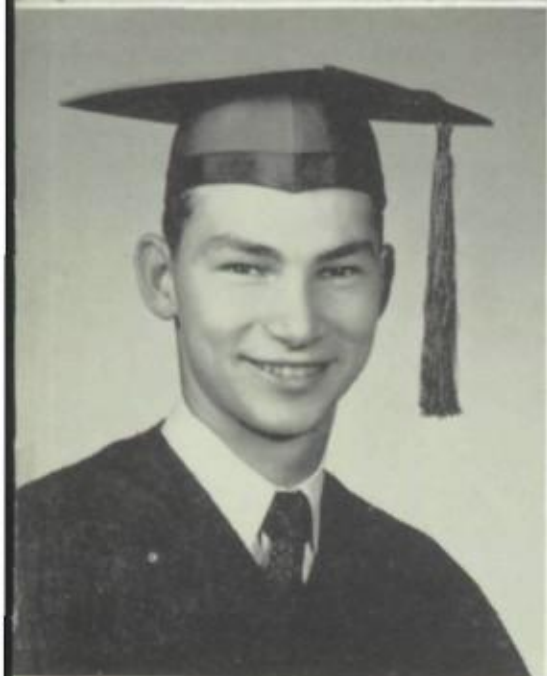

CAROL KELLEY
"Carol"

Soft spoken and pleasant as she goes by
Very fond of one army guy
Always lending a helping hand
A career in nursing she has planned.

WILLIAM MARTIN
"Bill"

"Most Talented" of our senior class
His lunch hours are with a small lass
A '46 Chevy with skirts and all
He hit success in basketball.

JAMES MOORE
"Mo"

Brown hair, blue eyes, six foot three
Our class orator, friendly as can be
To the band he was loyal
And for our class plays he did toil.

JANICE KRIGER
"Jan"

Flaming red hair has this lass
Late she comes for every class
For all our boys she did cheer
And for Louie, who holds her heart dear.

ROSEMARIE KUNKEL
"Rose"

Long blonde hair and hails from Moon Run
She's always glad when each school day is
done
To the Rox with her '54 Ford she's bound
This gal Rose really gets around.

WILLIAM NESBITT
"Bill"

Millions of jokes he knows well
Especially the corny ones he'll tell
Full of wit and fun galore
He kept our play practices in an uproar.

EDWARD OWAD
"Eddie"

A good athlete who is swell
"Best All Around," a real pal
Pesters our girls each day
President of our F. F. A.

EILEEN KUSHNER
"Ei"

Now here's our Queen who's really sweet
That Jim she goes with is really neat
From the things we all hear
She might be wearing a ring next year.

JOHN REDD
"Bones"

Easy going describes him well
Slow sometimes, but makes the bell
Made all the sounds in our class play
Can't wait for that diploma in May.

PATRICIA LEITNER
"Pat"

Likes to dance and sing popular songs
On the top she does belong
An Honor student is this lass
Always willing to help our class.

JOAN MADALINSKY
"Mad"

This girl with the long blonde hair
Has really got the boys to stare
As you know she's usually found
In Rose's car, just riding around.

JOHN SMITH
"Jack"

Friendliness is one of his traits
Liked by all his classmates
Hillbilly music is his delight
A future farmer? You're right.

MELVIN SMITH
"Mel"

Here's a guy who's really hep
He keeps our band right in step
At Smitty's he is usually found
With the gang, just loafing around.

FAYE MAYS
"Faye"

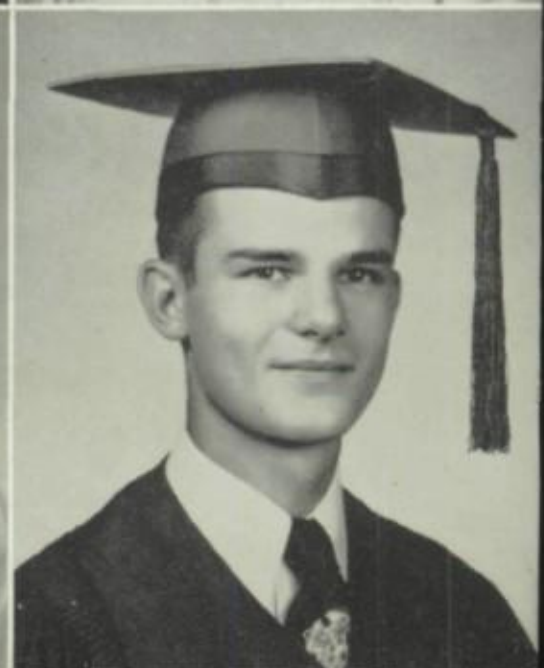

Those boys from Stowe keep her in a whirl
Cheering at games you'll find this girl
Motorcycles are her speed
She really gets around, indeed.

ROSEMARIE MAYS
"Rose"

A better friend couldn't be found
When work's to be done, she's always around
Has little to say, but full of fun
Our Robin kept her on the run.

RICHARD VESTA
"Almasy"

The quietest boy and oh! so shy
Here's a real good looking guy
Sportsminded and one of the Ag's crew
One of the finest our class could brew.

JANET POLLIARD
"Janet"

Tall and always neatly dressed
Rather quiet when strutting her best
A future model no doubt she'll be
Always seen in Warren's company.

LARRY WILT
"Lar"

The "Wittiest" senior who's loads of fun
This jolly fellow's always on the run
As student council president, he made it click
With a personality that is very slick.

DAVID WINNING
"Dave"

Never serious, always joking
But in his Plymouth he does no poking
Has eyes for a certain lass
Who is the smallest gal of the senior class.

CECELIA POSCH
"Sally"

Charming smile and a pleasing way
With Pat and Eleanor she's found each day
Always friendly you can bet
To have some fun she's always set.

MARILYN MILLER
"Mair"

At the Dairy Queen she works each day
Full of fun with plenty to say
A choice of a Chevy or a Ford
Her work on our yearbook deserves a reward.

REGIS WELSH
"Rege"

Short and cute, witty as ever
After awhile you find him clever
At play practice he kept us all alive
Loyal to the "Robin of '55".

CHARLES WILLIAMS
"Chucky"

In playing the tuba, he does excel
In dancing, the rhumba he does well
A fascinating figure he does possess
His witty expressions always make you guess.

DOLORES PHILLIPS
"Sis"

Start her laughing and she can't stop
As a member of our band she is on top
A green "Olds" she drives each day
"Most Talented" our seniors say.

MARY SHARKEY
"Mary"

Here's a reserved, but friendly lass
Who has a smile for everyone to pass
Her beaming face is all aglow
A quiet gal who has no foe.

BARBARA STORY
"Babe"

Head majorette who can really twirl
Sets the boys in a whirl
I know Babe won't forget the day
She was a hit in our Junior Class play.

REGINA TRILLOW
"Tril"

An "A" plus student, she ranks high
In basketball her talents lie
Editor of the "Newsbee"
A sure success in life she'll be.

JANICE WATTERS
"Jan"

Short and sweet and oh! so neat
Here's one Miss you'd like to meet
For our band she did twirl
Someone has her heart awhirl.

ARLENE PUHLMAN
"Ar"

A cheerful smile, a friendly "Hi"
A great interest in Tri-Hi-Y
A future nurse and real pal we tell
This all describes Arlene quite well.

DELORES REITER
"De"

Big green eyes has this lass
An asset to any commercial class
She writes to a certain soldier boy
When he comes home she'll fill with joy.

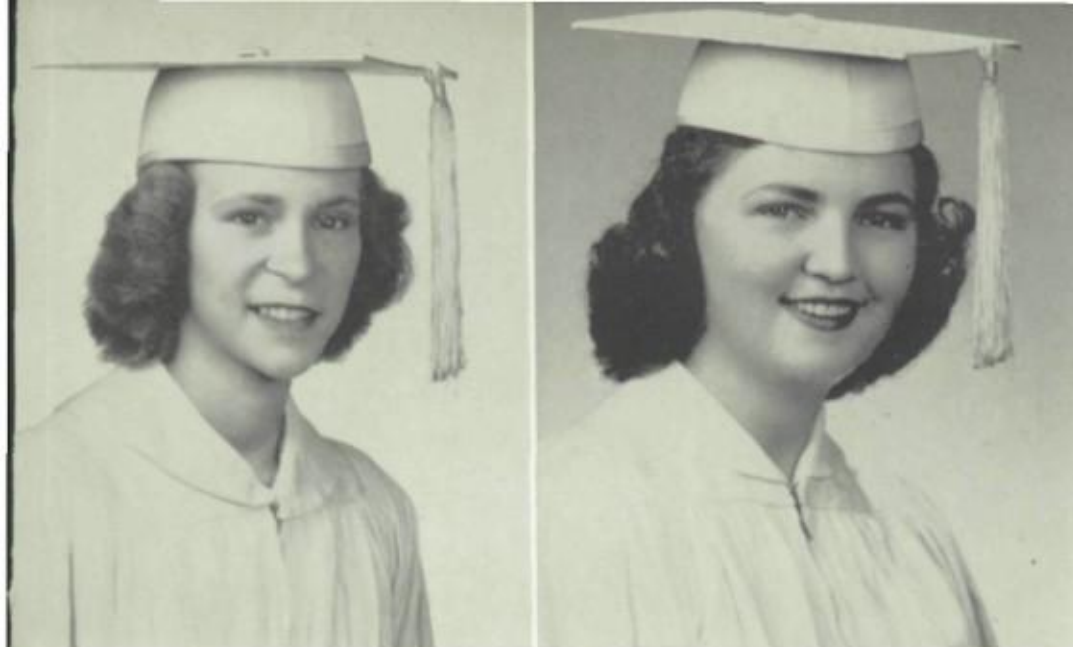

JANET RIES
"Jan"

Tall and dark with beaming eyes
With Mel from Moon her heart lies
"Best All Around" in many ways
She helped our staff enjoy our days.

GRACE SEVERNS
"Gracie"

Always pleasant and very neat
In shorthand and typing she can't be beat
A sensible girl and quite sincere
A smile for everyone she's near.

ELEANOR WOLFE

"Ele"

Quiet and refined is she
A success in life she's sure to be
Adding each day, lots of cheer
She'll always be welcomed here.

MARY ZIMMER

"Mair"

Towers our gals with her height
Always known to do things right
A real pal she proves to be
Full of fun and energy.

Senior Class History

1949-50 — SEVENTH GRADE

"Those Dear Hearts And Gentle People" headed the hit parade as enthusiastic seventh graders scampered up to the junior high building. We girls and boys, for the first time, enjoyed gym and vocational training as part of our curriculum. The construction work began for a new elementary building, which was to be connected to the junior high, and a campaign, headed by our class, helped finance a new library. Our sponsors for this year were Mrs. Morrow and Mr. Synowka. We ended our year with a class weiner roast.

1950-51 — EIGHTH GRADE

"Don't Cry Joe" was sung by our classmates as the new building was nearly ready for use. It wasn't long before our new cafeteria opened, and there was no more carrying of lunches. Our sponsors that year were Mr. Sass and Mr. Chicchini. This year was sparked by a great basketball team, which went to the semi-finals in the WPIAL playoffs.

1951-52 — FRESHMAN YEAR

"Too Young" seemed to fill our ears as the most popular song. We felt more a part of high school life, when we elected our two attendants, Janice Kriger and Fred Riddle, for the annual May Day celebration. We were only freshmen, but already we had three cheerleaders and five majorettes among us. Our boys began participating in sports. Our sponsors were Mr. Petredis and Mr. Synowka. We began thinking about our careers and the courses we intended to take. Our class treasury also began to increase. It was during our freshman year that we lost Mitchell Reali, and our annual spring concert was dedicated to him.

1952-53 — SOPHOMORE YEAR

"Cry," by Johnnie Ray, and "Trying," by the Hilltoppers, were smash hits, as we ran anxiously to be a part of the senior high school. Some of our girls had their homeroom in the home economics department, and the high school really had to adapt itself to the idea of having such a large class up here. Just about all our girls joined the F. H. A., and a number of our boys were already taking the agriculture course. Our basketball games proved quite exciting that year, and we lost just two games. Our sponsors were Miss Malone, Mr. Scotti, and Mr. Russo. Janet Ries and Jack Newell were our choice of

May Day attendants. Towards the end of this year, we began to follow a fad which had started, wearing collars turned up, wearing suede shoes, and speaking a language all of our own.

1953-54 — JUNIOR YEAR

"Gee," was the rage of Tin Pan Alley, as everybody came back looking "real kool" and dancing as "crazy" as this fad was. It reached its highest peak now, and our boys began sporting their flashy clothes and pegged pants, and learning the latest "kat" steps. This was quite a busy year for us. Everyone in our class was thrilled to think that our individual pictures would appear in the yearbook. Then towards the end of September, our class rings came and how flashy they were! The biggest event of this year was our junior-senior banquet, which was held at the Shannopin Country Club on a warm May evening. The May Day was eliminated from the activity list this year, so the crowning was held at the banquet, with Grace Severns and Richard Vesta as our attendants. Our play, "Mr. Cook Takes Over" came along and was a huge success.

1954-55 — SENIOR YEAR

Seniors At Last! "Let Me Go, Lover," a big hit overnight, entered into our senior year. Good to be back and see Mr. Russo and Mr. Scotti, our sponsors for the third consecutive year. Our football season proved to be the best in a long time, and "Please, My Nerves" set the stage as our seniors put on their great class play. Then came Christmas, and the annual Christmas party was a "bang" with Santa Claus and all. One of our New Year's resolutions was: the prom, which was not far off, and the reservations were now taken. Ouch! Move over, there isn't enough room for everyone to dance! Then, measurements for our caps and gowns. What a time! On our knees for Lena and on our tip-toes for Louie. . . . We were then in for a treat. The junior-senior banquet again, only this year, the juniors covered the expenses, and a most glamorous time was had by all at the Gateway Plaza. Wait a minute! Settle down, seniors! The exams are here, followed by the school picnic, and then we marched to the stage for honors assembly. Commencement? Here so soon? As we walked through to shake Mr. McCullough's hand, and switched our tassels around following the receipt of our long-awaited diplomas, we are now, the seniors of the past, and the alumni of the future.

Senior Class Prophecy

Well, here we are at last at our long awaited reunion. We wanted to choose a place familiar to everyone in the Class of '55, and we couldn't find a more ideal spot than the one and only Greater Pittsburgh Roller Ball Room. Our reservations have been in for several years, since people come from all over the country to visit this beautiful dreamer's paradise.

I just hope that all our alumni can manage to get here, even though some of them are quite busy. Since that 19th day of May back in 1955, our township has really developed; the population has increased by thousands. They now have a beautiful new school which occupies two acres. Oh! I must stop now as our guests are beginning to arrive.

The door opens and here comes JANICE KRIGER, who now owns a series of drive-in theaters. Immediately behind her is BOB CLEMENTS, who is now a famous coffee roaster, following in his father's footsteps, I suppose. Next is FRED RIDDLE who is now a squadron leader, in our Air Force.

Here come a few more cars, and I think I see NANCY CARLIN. Yes, and with her are EILEEN KUSHNER, JANET RIES, CAROL KELLEY, VICKY JURENA, and MARLENE GEIGER. These were the first lucky girls of our class to get married. By the expressions on their husbands' faces, I should say that they are very happily married.

Who do we have here? Why it's DOLORES PHILLIPS, private secretary and part owner of the Phillips Construction Company. Following her we see JANET POLLIARD who is now a world famous model, she tells us that she has just flown back from Paris, where she has been modeling all the latest fashions. Those with whom she came from the airport are GWEN GASPARE, MARILYN MILLER, and CAROLYN DEEMER, TWA hostesses. These fortunate girls have just arrived from a recent flight.

Robinson's great athletes owe all due respect to our next guest, Coach MELVIN SMITH. Continue your good work, coach. By the way he is under the supervision of high school principal, BILL NESBITT. Next we have two competitors in the baking field. BILL FALLET, who now owns Aubrey's Bakery, here in Moon Run, and VINCE ANNESI, who is co-owner of Benvenuti's Bakery.

Quite a few of our girls are very lucky to have their R. N. Certificate. And I am very proud to say all are practicing their profession. Here they come now, PAT LEITNER, VESTA JAMISON, LENA FORTI, BARBARA STORY, and ARLENE PUHLMAN. ARLENE is now superintendent of nurses at Allegheny General Hospital.

While we are waiting for the others to arrive, I will have JAMES MOORE, who is now our state senator, introduce our orchestra for this evening. He tells us that we have the GIL FINNELL Orchestra, starring BILL MARTIN, world famous trumpeter. We don't have to worry about getting top entertainment, because we have some of the best in the business. For instance, we have the DAVE WINNING & REGE WELSH comedy team, who are in the process of becoming known world-wide for their crazy antics. Our platter flipper here is LARRY WILT. I suppose that is because he did such a marvelous job at all the school dances. Did you know that LARRY now has an afternoon show on WILTY, Arkansas's fast growing TV station. LARRY says that one of his up and coming recordings is that of a duo "Ele & Sal." They would be better known to all of us as ELEANOR WOLFE and SALLY POSCH.

Next, we have RICHARD LEWIS, who now owns a little trucking company of his own, and likes it. Following him are AUDREY KACZMAREK, a beautician who has her own shop, and MIL DENNINGER, who is responsible for all the beautiful interior decorating done here this evening.

Now, we have our men and women in the armed services. We find JOAN MADALINSKY, FAYE MAYS, and NANCY BURKE in the WAF, and CHARLES WILLIAMS is also fighting for Uncle Sam.

Did you ever think that some of our FFA boys would really become farmers. Here comes EDDIE OWAD, who is now a big cattle rancher out West. Also from that vicinity we hear from JACK SMITH, big race horse owner.

Next we have JIM MALARKY, typical business executive of the new large minute car wash, here in Gayly. He tells us that his private secretary, GRACE SEVERNS, his bookkeeper, JOAN HAUSER, and his stenographer JANICE WATTERS, will be here shortly.

Oh! We're glad to see ROSEMARIE KUNKEL, who just got back from competing in a world-wide typing contest. Congratulations from all former classmates to the grand prize winner. Other contestants who ranked high were: BARBARA BERTHOLD, MARIAN BASL, MARY ZIMMER, and MARY SHARKEY.

Glad to see GEORGE BUTYA who supplied all the refreshments necessary tonight. George now owns Butya's Company, and HENRY KNESS is his assistant.

Do you remember the goal of ROSEMARIE MAYS, DOLORES REITER, and REGINA TRILLOW, to become secretaries? Well, it looks like they made it. ROSE and DOLORES are working for U. S. Steel, and REGINA has just announced her engagement to her boss, the president of the Heinz Company.

Here are the members of the De-King Construction Company, which was originated by JOHN DISTEFANO and JOHN KING. The foreman in the company's lumber yard is RICHARD VESTA. And their chief carpenter is ELMER BLUMLING.

RICHARD MADLER became well-known for designing motors for the newest car on the road, the Cadaford. And the man who installs them best is none other than RAY GRUBER, mechanic. Do you remember the man who always had a keen ear for sound effects and noises? The one who makes and tests the Super-Sound Mufflers for these odd cars is none other than our own JOHN REDD.

Well, folks, all former members of the Class of '55 are accounted for except one, and she'll be here shortly. Everyone is settled and discussing old times. Here comes our guest of honor, Miss GENEVIEVE ARCH, who is running for, and determined to become, the first woman President of the United States (so far the votes are in her favor).

Now we're going to see just how everyone met their success in the last ten years, so you'll excuse us won't you folks. Before the evening is over we're going to plan another reunion in the near future, with the hopes that we once again can discuss old memories with old friends.

Senior Class Play

Miss Lillian Pogachnick, director of our senior class play, had endless patience in molding those seniors who were in the play into the characters they were to portray on the stage. Miss Pogachnick, an established and capable conductor of our school plays, produced the sort of play that was desired. From the beginning of tryouts to the actual presentation of the play, Miss Pogachnick put forth her untiring efforts in order to make the production a success. The senior class would like to extend our heartfelt thanks for all she has done.

The make-up committee did an excellent job of applying our grease paint and helping us get ready.

B. Clements, G. Gaspare, R. Kunkel, F. Riddle, M. Miller, B. Story, G. Arch, R. Welsh, P. Leitner, L. Wilt, B. Nesbitt.

"Please, My Nerves"

When Mrs. Higgins' husband died and left her with three growing children to support, she turned her small-town home into a family-type hotel. The guests in Mrs. Higgins' mansion house are: Ralph Wilson, a young doctor; Althea Coldwater, a disguised kidnaper; Madame "X", a fake fortune teller; and Igor Petroff, a so-called Russian dancer. Others living in the hotel are: Tildy Mae Jenkins, the chambermaid; Cinny, Mrs. Higgins' teen-age daughter, and her teen-age son, Eddie, and Alice, the oldest daughter.

Ralph's wealthy young friend, Jimmie Washburn, comes to town to recuperate from a nervous collapse; but every time Jimmie comes to the hotel, something exciting is happening. Then in comes Jimmie's sweetheart, Gladys Burr, who is followed by her fire-eating widower father, Mr. Burr, who wants his daughter to marry someone else. It's a gay, mad whirl which is finally straightened out at the end.

"The magic ring will bring you three wishes."

"I'll get it!"

"Mr. Cook Takes Over"

"Mr. Cook Takes Over," a three-act comedy, begins with the entire Cook family eating breakfast and, as usual, chattering among themselves. Confusion reigns supreme when Thelma, an attractive girl of eighteen, is being teased by her younger brother, Ralph. Sister Gladys, four years her junior, is not yet interested in boys, and joins in chiding Thelma concerning her verbal combat with her date last night. Mr. Cook, a high school mathematics teacher, becomes enraged when he discovers that Thelma had purchased a new dress for the dance she hadn't attended, because of the argument last evening.

After discussions concerning the family's financial plight, Mr. Cook decided that he will manage the family budget.

The family just can't get used to the new ideas of saving. Donald Cook, a cousin of the family, persuades Mr. Cook to buy all sorts of articles at a fire-sale. It happens that all of these items aren't labeled and just add to the turmoil. The ensuing portion of the play turns into glorified bedlam. Inadvertently, molasses is used to paint the kitchen and Mr. Cook's shirts are starched with plaster of Paris.

Mrs. Cook receives a letter from an old friend, Mrs. Kelland, whom she hasn't seen in many years, informing her of her impending

visit with her son. Mr. Cook then begins worrying about what type of meal to serve them, and is completely convinced by Miss McNabb, a demonstrator representing Airy-Fairy Aluminum Ware, that he should permit her to serve a complete dinner as a means of advertising her product. Mr. Cook believes this is "just the ticket" to solve his dilemma.

When Mrs. Kelland arrives, it so happens that her son isn't the handsome, strong, athletic type Thelma expected. He is very weak and eats nothing but vegetables. Ralph, being his impish self, steals his carrots, and Ned looks very embarrassed as he appears in his night shirt searching for them. At the end of the day, Mr. Cook surrenders the complete charge of the household to his wife, after some disheartening experiences. Namely, having the wind knocked from him by a billy goat that was bought to decrease the milk bill. The entire family is very happy to hear that their mother has full charge of the household once again.

Our play was presented on the evening of March 26, 1954, in the high school auditorium.

We, as juniors, wish to salute Mr. William L. Kearns, who so capably directed our play. We believe he did a most remarkable job in his first experience as a play director.

"Take your cap off and sit down awhile."

"Come and get it folks."

On May 14, 1954, the Class of '55 held the traditional farewell banquet on behalf of the Seniors of '54 at the Shannopin Country Club in Ben Avon Heights. The weather was ideal and the night was beautiful.

The theme "Stairway to the Stars" was carried out in favors, napkins, and decorations.

The menu consisted of fish or chicken, peas, snowflake potatoes, choice of beverages, and chocolate sundae for dessert.

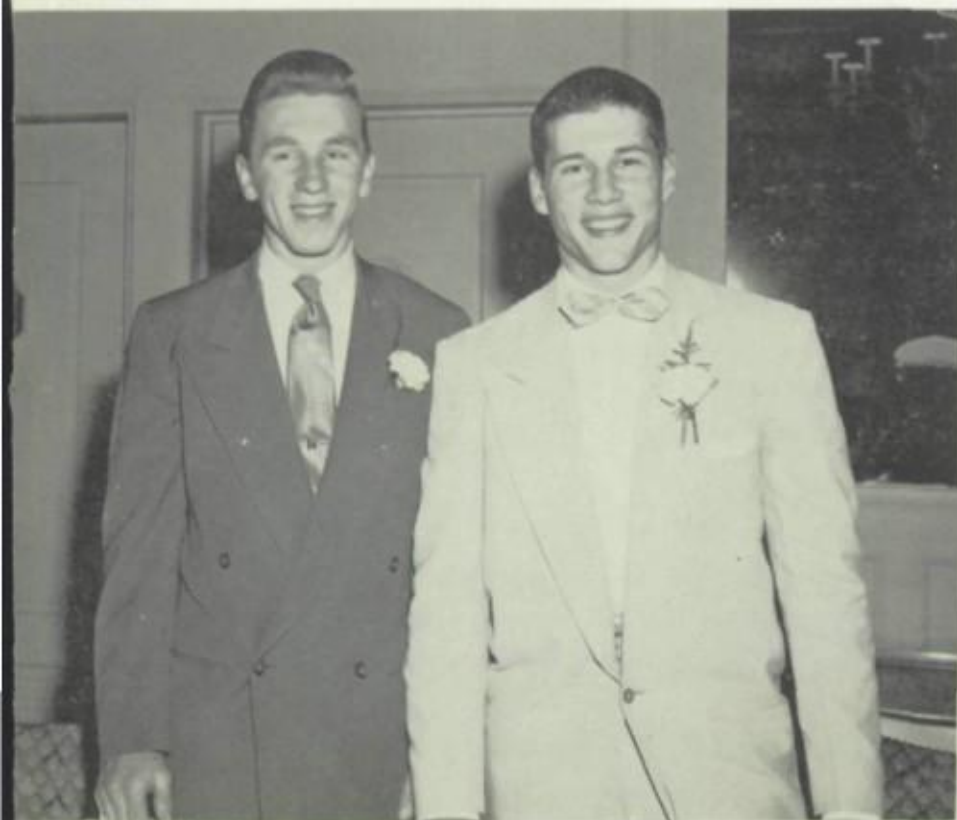

For the first time, the May King and Queen were crowned at this event.

After dancing to the music of The Bill Lynch Orchestra, we broke up at 12:00 and then assembled at the Coraopolis Post of the Veterans of Foreign Wars for the "all night party."

The speakers were Miss Scavariel and Mr. Russo. Our own F. Riddle served as Master of Ceremonies.

Banquet

Richard Lewis and Fred Riddle

Richard Lewis, Class President, and Fred Riddle, Master of Ceremonies, did a fine job of master-minding the Junior-Senior Banquet.

Everyone who attended, thoroughly enjoyed himself and would agree that it was a complete success.

"Do I hear music?"

Shannopin Country Club, Ben Avon Heights, was the site of our Junior-Senior Banquet on May 14, 1954.

The Senior Prom

On March 4, one of the warmest evenings of that month, the annual senior prom took place. Although the formal was held at school, the crowd was one of the largest ever to attend a Robinson prom.

At 8:30 the first of the sixty expected couples began to arrive. Upon arriving at school, the melodious strains of Ted Boughton's Orchestra sounded pleasant and inviting. As you entered the beautifully decorated gym, you received the impression that you were at a huge outdoor garden party. Incidentally, the theme, "Garden of Friendship," was carried out to its fullest extent in all of the decorations. The starry blue sky seemed to come down to meet the grey stone wall, which surrounded the very picturesque scene. A colorful array of flowers seemed to be growing everywhere, and they surrounded the little antiquated bridge, which proved to be the ideal background for all desired photos.

After dancing all evening to a varied selection of music, the crowd began to leave, sorry that it was over so soon, but admitting that a better time couldn't have been had.

COOKS

Mrs. E. Wagner, Mrs. B. Midili, Mrs. R. M. Rogers, Mrs. G. Arch, Mrs. B. Babinger.

Day in and day out you are sure to see these dependable women preparing our lunches.

VOLUNTEERS

Mrs. M. Rauschhaupt, Mrs. D. Malarky, Mrs. R. Bender, Mrs. E. Dawson, Mrs. V. Wagner, Mrs. D. Harper, Mrs. E. Puhlman.

Occasionally these women take time out of their household chores to come up and offer their services.

Head Custodian MR. TOM SLANINA

Never seen idle, because he's always doing something to better the condition of our school. His cheery hello and joking manner made him a friend of every senior.

Dietitian MRS. DOROTHY DAVIS

In the kitchen and constantly busy preparing hot meals for Robinson's students and faculty. She is always ready with a big smile or a pleasant word to help liven up our day.

Class Poem

Friendship

Friendship is like a lovely flower
It springs up over night
And sheds its fragrance everywhere
If cultivated right,
We guard it with the utmost care
That none may on it tread,
That we may not awake some day
To find that flower dead.

This lovely friendship we have formed
Let's guard so tenderly,
That it may thrive and grow so strong
That friends we'll always be.
The truly faithful, sturdy kind
That can withstand the storms
When tempest come to test our faith
It will come through un-harmed.

If I should have to make a choice
Be forced to take a stand
And choose between my lovely friends
And the gold of all the land,
I'd take the stand with all my friends
Tho good ones might be few,
They're worth far more than all the gold,
That's how I feel 'bout you.

This poem, written by Mrs. Jack Cook from GOLDEN GATE ANTHOLOGY, was chosen because of its significant way of showing our feelings toward our friends, teachers, and school days.

Upon arriving in senior high school, we had no idea our junior year would be such a hectic one.

Our sophomore year ran along smoothly with nothing to give us an inkling of the busy year to come.

Early in October we ordered our class rings. Then we strove to make our two dances a success. Before we knew it, Christmas vacation was upon us, but it seemed we had just closed our books and it was time to open them again. We soon began rehearsing for our class play under the guidance of our sponsor, Mr. Kearns. In no time at all the play had come and gone and we were deep in the preparation for our junior-senior banquet.

Now the year is almost gone and as we look back we realize it's been a very happy and successful one. Mr. Kearns and Mr. Lowery, our sponsors for our sophomore year also, led us and prevented the state of chaos that might have been. Our class officers, under their supervision and with the co-operation of their fellow students, headed the activities and made them all a great success.

We thank Mr. Kearns and Mr. Lowery for being so patient and helpful. They have made the junior year a more enjoyable one for all.

May Day

L. Forti, E. Kushner, W. Martin, E. Owad

Crowning

The May Day here at Robinson has been a tradition since the school was dedicated. This custom, up until two years ago, was the most beautiful and outstanding event of the year.

On a warm evening in May the King and Queen, both seniors, reigned over the court, which included two attendants from each class in the high school. Leading the procession were little first graders acting as flower girls, and the evening was highlighted by a variety of dances performed by students from each grade. It was, without a doubt, the most colorful event

in the school's history.

Due to the hard work, tireless planning, and lack of school time for practice, this event was selected to be the main attraction at the annual junior-senior banquet. This included the crowning of the king and queen, who were followed by their court. The entertainment usually includes two dances done by juniors and seniors.

This year's banquet was held on May 6th at the Gateway Plaza, a most exclusive and well-chosen site for the 1955 crowning of the May Queen.

May King And Queen And Court

E. Kushner, B. Martin

May King

We have known Bill Martin for a long time, and we think that a better friend can't be found. His pleasing personality, friendly smile, and everything about him helps to cheer up everyone. His willingness to help others and the way he can fit into any situation has won him many friends both in school and on the outside. He takes part in sports, he is in the band, and he is a member of school organizations. In general, he is quite an all-round guy. In our estimation, a better May King couldn't have been chosen.

May Queen

The 1955 junior-senior banquet was highlighted by the crowning of our beautiful May Queen, Eileen Kushner. Eileen stands 5' 5" tall, and has sparkling green eyes with attractive short brown hair.

Eileen, who was born in Moon Run in 1937, has been one of the most loyal members of our class since she started her school days at Robinson. Throughout those years she has proven herself qualified for this honor. Her wonderful personality, and friendly smile affects everyone she meets. As an active member of our class, she is seen at nearly all school activities.

The senior class feels that no one else was more deserving of this honor than Eileen. We hope that the future queens will be as glorious and deserving as she.

Absent: G. Arch, V. Jamison, G. Gaspare, J. Kriger, J. Moore, E. Midili, D. Dawson, B. Zarvis, W. Butler.

Composed of the outstanding student representatives in the high school clubs and classes, the student council is the most outstanding organization at Robinson. Membership is held in the National Association of Student Councils and also in the Pennsylvania Association of Student Councils.

The purposes of the club is to instill in each student a good spirit of sportsmanship, to prepare new leaders for the new world outside school, to promote a cooperative relationship and to create strong character.

The student council is the governing body at Robinson and the most important of its functions is that of acting as a link between student and teacher and administration.

One of the greatest honors bestowed on a student is being elected to represent his class or club in the student council. The council is now in its fifth year at Robinson. Each year it has been a greater success and has made longer strides towards realization of its goals.

This year the groups gave one of its three activities to the junior class to help provide funds for their junior-senior banquet.

The Key Club is an organization which is in operation solely for the purpose of being helpful and constructive. It serves the school in the capacity of a good-will ambassador. The Key Club is the high school branch of the Kiwanis, and is an international organization.

The club at Robinson, now in its third year, is sponsored by the Carnegie Kiwanis Club. Mr. Russo, the faculty advisor, has done an excellent job in these three years, to make the Key Club, here at Robinson the working organization that it is today.

A few of the many services the Key Club

render are: the serving of free refreshments to both home and visiting athletic teams, the cleaning up of school grounds and school properties, and the donating of necessities to the unfortunate in the community. These charitable gestures are some of the fine acts for which the Key Club is responsible. This club has become a genuine asset to Robinson Township High School, and will continue to be an asset as long as it retains the wholesome attitude of helpfulness that it now possesses. Our hats are off to Mr. Russo and his fine group.

We, the yearbook staff, present to you, the student body, faculty, and administration, our 1955 Robin, with the hope that you, the reader, will derive as much pleasure and enjoyment from it as we did while compiling the book for you.

Anyone who passed Room 5, during the eighth period each day, probably thought it nothing but a state of mass confusion. However, we, the staff members, knew that we were really working hard to produce something that the seniors would be proud to say, "It's ours, and it's good." But to make it good, it took co-operation, hard work, and determination. And it took more than patience on the part of Mr.

Joseph Scotti, our advisor, who really kept the staff working and on their toes. Now we can be thankful that he did.

Write-ups were constantly being written and re-written, typed and re-typed, and then sent to Mr. Kearns for the final check on grammar. They had to be re-typed and matched with the appropriate pictures, which had to be cut and proportioned. Then off to the printer they went in order to meet our deadline. That's the same pattern we followed from September to March. We hope it has proved worthwhile not only to the staff but to all the seniors, underclassmen, and faculty, without whom we could not have managed this laborious task.

Conference with Mr. Scotti.

The Future Farmers of America are a group of boys who intend to make farming their career. They have various projects which they are required to undertake and successfully complete in order to obtain their diploma. These boys aim to utilize the advanced and scientific knowledge they have accumulated through the years here at Robinson when they graduate. Some of these Future Farmers of America members journeyed to Harrisburg, Pennsylvania, this year in order to take part in the annual State Farm Show. These boys range from the ninth through the twelfth grades. Not only does the Future Farmers of America prepare the boys to become scientific farmers, but it also prepares them to become better citizens. Two noteworthy deeds performed by the members of this group are the constructing and setting up of class play scenery and the planting of shrubbery about the school. The best way to describe the goal of the Future Farmers of America is to read their motto which is "Learning to do, doing to learn, earning to live, living to serve."

This year eleven girls were initiated into the F.H.A. The membership this year numbers sixty-five, the largest organization in our school. These senior, junior, and sophomore girls are doing outstanding work in adhering to the purpose of our F.H.A. which is: "to build better and happier homes, constituting better living for America's future."

The many activities throughout the year are not only held in the school and community, but throughout the county and state as well. This year many of the girls attended the Region B Convention at Mercersburg. Since there is such a great number of clubs represented, the school is honored to have some of the girls assume the offices at these meetings. With the co-operation of everyone, the annual bazaar proved to be a huge success.

We wish to express our appreciation to Miss Beatrice Malone for her expert guidance of the club.

"To create, maintain, and extend throughout the home, school, and community, high standards of Christian character." That is the purpose of the Tri-Hi-Y. During the years, this club composed of girls from the senior, junior, and sophomore classes, has carried out this purpose to the fullest extent.

The girls are always ready to be of service to anyone who needs their aid in any way. Throughout the year, many activities are held entirely for the benefit of those people who are in need of a helping hand. One of these is the Orphans' Day. The girls select an orphan's home and have a party for these underprivileged children. This was started last year and it proved to be such a successful project that the girls have made it an annual affair. During the Thanksgiving holiday the girls pack baskets of food for the worthy families to help make their holidays a little more pleasant.

After belonging to this organization for three years, and contributing their services the senior girls receive beautiful red, white, and blue reversible jackets with the Tri-Hi-Y emblem.

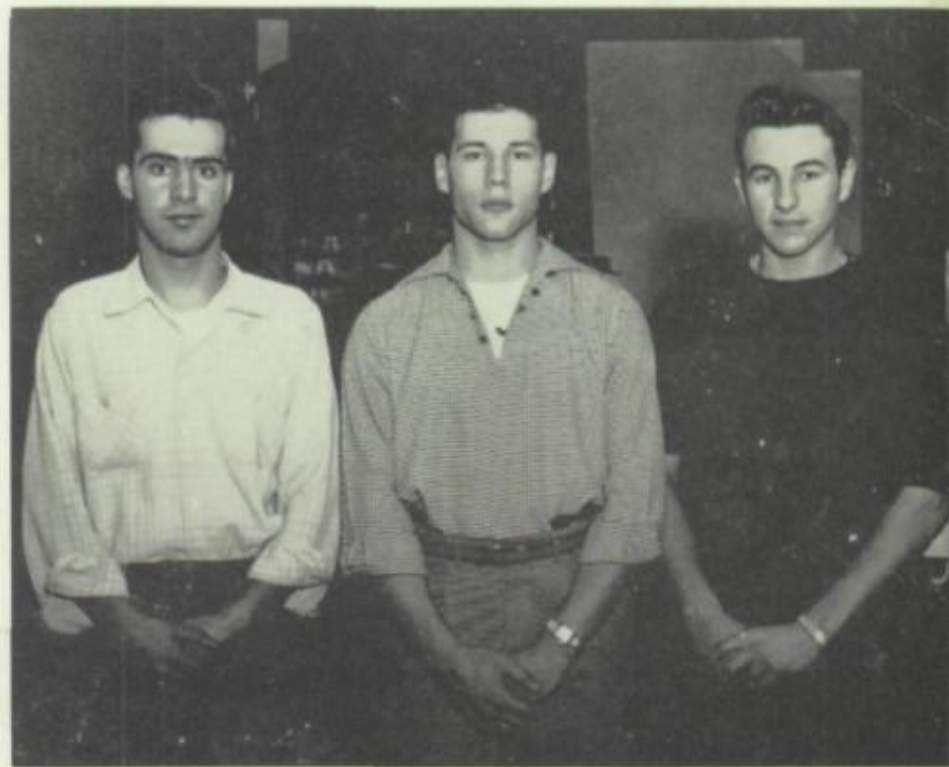

Congratulations to Miss Lillian Pogachnick the Tri-Hi-Y faculty advisor. Her ideas and enthusiasm have proven to be of inestimable value to the girls.

Varsity—R

In 1946, the Varsity-R was organized in recognition of those athletes who so deservingly won letters in their respective sports. By means of social activities held under their auspices they raised money to buy yellow sweaters and letters.

As was done in the past years, the present Varsity-R Club members undertook the task of raising money to buy the senior athletes varsity jackets as a remembrance of their athletic participation, and fellowship. This task was a difficult one due to the fact that the number of senior athletes receiving jackets was greater than ever before. Refreshments were sold at the various athletic events. The Varsity-R also promoted a school dance as a means of increasing their coffers.

Mr. Russo, Mr. Phillips, and Mr. Birko were the club's advisors. They encouraged the members through the year, offering their assistance when the boys needed it most.

The Robinson Township Commercial Service Club has proved to be a real boon to both the school and the community.

Under the very active and vigorous sponsorship of Mr. Sidney Leff, business education instructor, work by members ranged from organizing tabulated material and statistical data to the typing of themes, stenciling, and mimeographing of booklets, drills, etc.

Services completed this year include work for school groups, such as clubs, teachers, individual students, PTA, and community organizations. Work will continue to be performed for both school and community, free of charge, says the advisor, as long as time can be found. "It is not always easy to complete a given project in the period of time requested, but the person or persons requesting the service may rest assured that a sincere attempt will be made to do so." This assurance is echoed by each group and it has become a by-phrase.

The Service Club is a member of Student Council, organizing itself under a Club constitution. This constitution was amended to include only as officers those students who are on the honor roll.

As an added service, this year the Service Club will award a \$100 scholarship at the Honors Assembly to some deserving commercial student—this sum to go towards the tuition of a business school of the winner's choice. The money was raised from an activity sponsored by the Club—the first activity ever to be help by this group. It is believed this award will become an annual contribution—a service to some capable student who will carry the good name of Robinson after graduation.

"Newsbee"

The NEWSBEE, the school's paper, is Robinson's way of letting the students know what's going on in the school and in the community. Under the supervision of Mr. Sidney Leff, the paper has done a fine job.

Much goes into the making of the NEWSBEE. A large amount of work is done during classes, and often the students must give up their study halls in order to meet the deadline. However, this is done without one word of complaint or regret.

After news is received, it must be typed up in dummy copy, then it must be proof read and all errors must be corrected. Next, it is typed on a stencil, run off on the mimeographing machine, and finally the students rush to put it together, so it can be sold on the designated day.

A word of appreciation, and a pat on the back goes to the staff and its advisor for the fine work they've done in the past school year.

The Robinson Township High School Band

Our student body and all who are connected with Robinson can be proud of the fine marching band representing our school.

In 1954-55 the band proudly exhibited their new uniforms at summer parades and football games. As usual the band was very successful, copping many first prizes. Directed by Mr. Joseph Picchi, the band has also won many prizes at the annual Allegheny County Fair.

During the eighth period every day we can hear a real jam session in the band room.

This year the project for the band is to buy new instruments. They have already bought 5 new trumpets, 3 alto clarinets, 1 base clarinet, and 1 baritone horn.

We hope that we will get as much enjoyment in the future as we have had in the past from Robinson's pride and joy—our band.

SENIOR BAND MEMBERS

Our senior band members can rightly be called the nucleus of the band. All the band officers this year have been seniors. They were: Gil Finnell, President; Jim Moore, Vice-President; John King, Treasurer; Lena Forti, Secretary.

In recent years Robinson has been invited to send representatives to Tri-State District Band Festival and the District orchestra.

By now some of these musicians have become important assets to the band and will be sorely missed.

We would like to thank Mr. Picchi for the encouragement and aid he has given us as musicians and also as students.

Majorettes

BARBARA STORY

Every year an honor is bestowed on an outstanding senior majorette. The honor is that of being elected head majorette. The band made a wise choice this year in selecting Barbara Story to fill this position. Her duties have been drilling the other majorettes, teaching routines, and assisting Mr. Picchi in his selection of half-time shows for football games.

LENA FORTI

Seen marching at summer parades and football games right in front of the band is Lena Forti. She was chosen band majorette by election. Lena has been a majorette for 4½ years. She is also secretary of the band and keeps a record of all prizes from parades.

Standing: B. Sutherland, J. Petanowick, C. Leja, G. Arch, V. Jurena, V. Jamison, J. Polliard, J. Watters, D. Dean, E. Timon.

The average majorette from Robinson is:
5' 4½" tall

Weights 123 pounds

Has green eyes

Light brown hair

Likes movies, ice cream, cake, and summer parades.

The majorette has two important duties each year. They are leading the band in parades and during the football season, and baton twirling at the spring concert.

Again this year, the summer parades in which the band

participated were a great success. One reason for this success was the faithfulness of the majorettes.

This year, for the first time, the girls wore their new uniforms and to complement their new outfits they purchased lighted batons.

There were seven senior majorettes this year, the highest number in the school's history.

In the spring concert the majorettes performed to marches played by the band.

As in the last two years, two of our girls participated in the annual High School Day at Pitt Stadium.

 3rd Row: K. Razpotnick, N. Butya, C. Parkison, P. Staude, D. McCullough, H. Elliott.

During the past year the chorus has delighted the school with its many numbers at the assemblies. In the fall they sang numbers which added a patriotic air to the United Nations Assembly. For Christmas they joined with the intermediate chorus in presenting an appropriate program. They sang carols and other seasonal songs while the elementary children presented a pantomime enactment of the Nativity.

In February four members of the senior high chorus were sent to the chorus festival at Moon Township High School. There they participated in the District Chorus along with other schools of the community.

This past year they elected officers, formed a constitution, and were accepted into Student Council.

Starting out as a Girls' Glee Club and a Boys' Glee Club, they united and formed the Senior High Chorus. Now, under the direction of Carolyn Eddy, they are doing splendid work.

Spring Concert

The annual spring band and choral concert held in the high school auditorium in April, 1954, was said to be one of the best ever presented. The band, directed by Mr. Picchi, gave a fine demonstration of the work and practice of the preceding year. A few of the numbers presented were: Bach's "Chorale and Fugue in G. Minor," "Sunnyland Overture," "The King and I," and "Elsa's Procession" from "Lohengrin" by Wagner.

The chorus also gave an excellent presentation of the group of songs chosen by Miss Carolyn Eddy. In her first year at Robinson, Miss Eddy proved her ability and skill in making the choral concert a great success.

This year, as in the years gone by, proved to be a very successful one for both our band and chorus. But just as everything else is growing, so is our band and chorus. The Spring Concert now consists of senior high band, intermediate band, senior high chorus, intermediate chorus, and elementary chorus. So, one concert does not allow enough time to do justice to both groups.

Mr. Joseph Picchi
Band Director

The Band and Chorus

After the concert plans were made for the future. It was decided that there would be two concerts. The choral concert, consisting of the senior high and intermediate choruses under the direction of Miss Eddy and the band concert of senior high and intermediate band under direction of Mr. Joseph Picchi.

This will provide more time for a greater number of songs and more enjoyment by all who attended and performed in these.

P. T. A.

The Robinson Township Parent-Teacher Association, now in its ninth year, has shown a marked advancement. It has become an integral part of our school system. Without the co-operation which has been given the school by the Parent-Teacher Association, it is doubtful if the school could have progressed as rapidly as it has. The Parent-Teacher Association has served to bring about a more informed populace, and has created a greater understanding between the parents and the teachers. It has also alleviated some of the burdens which before had rested upon the shoulders of the school authorities. The Parent-Teacher Association has undertaken many tasks, and it is constantly assuming more responsibilities. We sincerely thank this group for the numerous contributions which they have made to Robinson Township High School.

The Robinson Ramblers were tutored for the first time by Coach Robert Phillips, an alumnus of Robinson Township High School and Slippery Rock State Teachers College.

Although the Ramblers record wasn't exceptionally high in the win column, they produced an impressive record of four wins, two ties, and two defeats. The spirit and determination of this year's squad, excelled that of any of Robinson's teams for a number of years.

We hope that next season's grid campaigns will prove to be as successful as this year's.

Football Hi Lites

ROBINSON vs. NEVILLE ISLAND

With spirits high after three and a half weeks of determined practice, the Robinson eleven met Neville on home grounds under the lights.

Due to costly fumbles, the Ramblers trailed 6-0 at half-time.

The Rivermen scored two touchdowns in the third period of play, before the Rambler offense began to "click." Robinson gained fifty-five yards on three plays to score their only tally of the game. An offside penalty against Neville put the ball on the one yard line and a quarter-back-sneak made good the extra point.

The final score read: Neville—19 Robinson—7.

ROBINSON vs. WEST ALLEGHENY

Robinson played host to their neighboring rival, West Allegheny High for the third nocturnal contest of the year.

The Ramblers scored the first six points of the game in the first quarter, but before the end of the first half, West Allegheny came through to tie up the contest at 6 to 6.

Robinson gained on the opposition with six more points in the third stanza and seemed to have the game under control until the Indians opened with a passing attack that foiled Robinson's defense, to score with only minutes remaining. Riddle and Terabasso broke through the line to break up the attempt for the extra point, thus deadlocking the game at 12-12.

ROBINSON vs. CECIL

Robinson traveled to Canonsburg Stadium seeking to avenge their defeat at the hands of the Cecil Bulldogs last season. The Ramblers got off to their usual slow start, thus enabling Cecil to score easily by the end of the first quarter.

Cecil threatened again in the second quarter, but the Rambler defense proved too potent for them and at half-time the opposing Cecil still led by a score of 6-0.

In the third quarter the Ramblers began to move and Riddle quickly tallied to tie the score at 6-6. The Bulldogs scored again at the beginning of the fourth quarter, but from then on it was all Robinson. The Ramblers began a 60-yard march that was concluded by a pass from Kozak to Koller to tie the score once more. The attempt to make the extra point was missed and the final score read: Robinson—12 Cecil—12.

ROBINSON vs. AVALON

The Ramblers journeyed to Avalon for the purpose of earning their first victory of the 1954 season. The game was scoreless until the beginning of the second quarter, when a drive, sparked by the hard running of Fred Riddle and a pass from Kozak to Koller gave the Ramblers their first touchdown. The attempt for the extra point was blocked.

Probably the most exciting run of the evening began on the Avalon twenty-five yard line. Koller picked up a Panther fumble and raced seventy-five yards to "paydirt." A three-yard buck by Riddle added six more points to the Ramblers' tally seconds before the quarter ended.

In the early minutes of the third period, Riddle intercepted a Panther pass and streaked forty-five yards for another touchdown. Macek made the conversion. Soon after the Ramblers ended a fifty-yard drive, with Kozak going over from the two-yard line. Macek converted again and the score read 32-0.

The scoring climax of the evening came with Kozak plunging over for the last tally from the six-yard line. When the final whistle sounded Robinson had blanked Avalon by a 38 point margin.

ROBINSON vs. BELLEVUE

The Black and Gold of Robinson handed Bellevue their fifth straight defeat of the season on the latters' gridiron.

The first score of the game came with fullback Fred Riddle going over from the three-yard line. John Macek booted the extra point.

In the second period the Ramblers staged a fifty-yard drive that was concluded by an off-tackle buck by Riddle. Macek again added the extra point, and at halftime Robinson was ahead by a score of 14-0.

At the beginning of the third period our Ramblers fumbled deep in their own territory and Bellevue recovered to set-up their lone tally of the evening.

Robinson bounded back as Riddle took the following kick-off and sprinted ninety-five yards to put the Ramblers ahead 20-6.

Quarterback Gary Kozak added the finishing touches as he streaked fifteen yards for a touchdown in the fourth period. The conversion was good and Robinson won their second consecutive game by a score of 27-6.

ROBINSON vs. SEWICKLEY

The Robinson Ramblers registered their third consecutive win against Sewickley High School. Robinson played host to their opponents from the valley.

There were honors to be shared by every Rambler participating in the victory, but top billing was held by fullback, Fred Riddle, who thrilled the crowd with his brilliant display of running.

The opening kickoff was taken by Robinson, and the Ramblers occupied most of the offensive playing in the first quarter. They marched steadily up the field to paydirt.

In the second quarter, the Indians, after carrying the kick-off to the 35 yard stripe, hammered their way through the Rambler line to tally their first 6 points. They made good the conversion to give them a 7-6 lead at half time.

The Indians threatened to score following the kickoff, but a fumble picked up by Gruber on the Rambler 17 ended their chance for the time being. The subsequent play had Riddle scampering off tackle to "wing" his way 83 yards for a T. D.

Two long pass plays gave Sewickley their final score of the evening.

Riddle accounted for Robinson's final two touchdowns, a 90-yard kickoff return and a 50-yard off-tackle play.

ROBINSON vs. MIDWAY

Our boys played host to a powerful, once beaten Midway team in the last home game of the '54 season.

The visitors took the opening kick-off and within five plays scored their first touchdown of the evening.

The Ramblers came back in the second quarter with a series of plays that foiled the Midway defense. A thirty-yard aerial from Gary Kozak to end Gene Midili put the ball on the visitor's two-yard line and Fred Riddle plunged over for the tally. Even though the attempt for the extra point was blocked, the Black and Gold could not be stopped. Minutes later they recovered a Midway fumble and fought their way to the opponent's three-yard line where Kozak barged over for the score. A Kozak to Midili pass made good the extra point and at the end of the half Robinson was ahead by a score of 13-7.

In the second half fumbles proved costly for the Ramblers, as Midway quickly converted two of them into touchdowns. The visitors held our boys scoreless during the third and fourth periods of play; but when the final whistle sounded Robinson was in scoring position on the twenty-yard line.

Thus the Ramblers lost their second game of the season by a score of 19-13.

ROBINSON vs. SOUTH FAYETTE

The Robinson Ramblers, coached for the first season by Robert Phillips, compiled a seasonal record of four wins, two losses and two ties by defeating South Fayette High.

Robinson eluded South Fayette with all sorts of back-field deception to do their part as offensive men by scoring 26 points while the defense performed equally well by shutting out their opponents.

The Ramblers progressed upfield to score following the opening kickoff, with Fred Riddle leading the running attack for Robinson.

After frequent exchanges of the ball the Ramblers came up with another touchdown to their credit, Riddle carrying over once more.

An aerial attack proved to be of no avail to South Fayette, for at half time Robinson still led 13-0.

In the fourth stanza a drive climaxed by a quarter-back sneak gave Robinson the upper hand with a 19-0 lead.

With time about half gone in the fourth quarter, Madler intercepted a pass setting up Robinson's final tally of the contest.

Riddle threw Kozak a screen pass, and with a host of Rambler blockers before him, Kozak scampered down to the one yard stripe. There he handed off to Riddle for the touchdown. Macek converted, making the score read: 26-0.

The Ramblers' pre-season expectations and desires had not been attained when the season ended. The boys were somewhat dejected for

they had the potentialities and instruction to carry them to the top of their section but the breaks did not lean their way.

The boys went through the first round of the section play hoping to break into a winning streak for they felt once they got started, the team could go all the way. The Ramblers' hopes were strengthened after posting wins over Avonworth, Evans City, and South Fayette. But as luck would have it, Robinson concluded the second round with only one victory against six close-margined losses.

Next year's campaign shows signs of being a fruitful one, for six lettermen will return to the hardwood. These six hoopsters, along with capable bench strength, should be the Section XXII powerhouse of 1956, for they have been a playing combination since their junior high school days.

The Robinson junior varsity, under Coach Robert Phillips, had a rather good season this year. They won half of their games, and following the pattern of the Ramblers' varsity squad, lost many of the section tilts by tight scores.

The B-squad, as always, proved invaluable from the standpoint of obtaining experience and poise which are necessary factors in a successful varsity club. From the junior varsity line-up were summoned a few players for varsity competition and for supplementing depth to the team.

Through the interchange of players during the basketball games a great many boys saw action. Coach Anthony Russo had opportunity to visualize on what basis his future teams will be established. Boys from the freshman class through junior class had splendid opportunity to manifest their potentialities.

Girls' Basketball

Girls' basketball began here at Robinson back in the 1920's. This was when we really produced championship teams that just couldn't be beaten, and for years and years this was a tradition.

The girls were devoutly interested in those days. Transportation was quite a problem, but our girls traveled in a milk truck back and forth to games. They sometimes walked.

The girls, dressed in bloomers, were state champions for three consecutive years and were awarded many trophies.

Some of their victims included a team from Slippery Rock State Teachers' College and tournaments won in Youngstown, Ohio.

The games were conducted in part boys' rules and part girls'. The gym was always filled to capacity. Girls' basketball was the "real thing" then and two of our girls played on a national girls' team. They were coached by Mr. Gardener.

Our team was followed regularly by Paul Kurtz, of the Pittsburgh Press, and several other newspaper writers.

After these girls graduated from Robinson, they organized as a professional team and played college girls and attended tournaments in different cities.

This great team is now a part of our faculty here at Robinson and the cup they received for their outstanding work is still on display in our high school office.

These last few years our girls have been trying to organize again. The team was quite active last year under the direction of Mrs. Fritts, they won several games.

This year, it has been hard getting organized, under the direction of Mrs. Morrow, they've had to start over again rather slowly.

This year two teams were selected. A senior team, and a junior team. The girls alternated throughout the season playing other girls' teams.

Few victories were the result of no practice. The greatest difficulty for the girls' basketball team was the lack of time or place to practice. The gym is occupied each night by the boys who are practicing and our girls this year really didn't get a chance.

Our girls and their instructor, Mrs. Morrow, who was new to us this year, deserve a reward for their outstanding performances and tiring efforts.

We only hope that in the future girls' basketball will live up to the fine spirit the girls have shown this year and bring top honors to Robinson once again.

The junior high basketball team, under the capable direction of Coach Birko, displayed a better than fair showing in their section with a record of 5 wins and 7 losses. The starting five was composed of three freshmen and two seventh graders.

Mr. Birko was confronted with a group of tyros when the court campaign was inaugurated. As the season progressed, the rough edges were ironed out and they developed into a well rounded squad. Although their lack of height proved to be a disadvantage, it was compensated by their fine fighting spirit.

Our hats are off to Mr. Birko for his patience and guidance for comprising one of the most successful of all junior high quintets.

Baseball Hi Lites

ROBINSON vs. W. ALLEGHENY

Robinson traveled to West Allegheny with hopes of winning their first league game. Apparently high spirits and a never-say-die attitude weren't a winning combination, for the Ramblers lost their opener by a score of 6-1.

ROBINSON vs. AVELLA

In addition to playing host to the invading Avella nine, the Ramblers were aiming for their first victory of the '54 season. By brilliant all-around playing, they hustled the Avella team off the field and copped a 2-0 victory.

ROBINSON vs. BURGETTSTOWN

Our Rambler nine played host to Burgettstown and applied their winning magic to overtake them as the section leader by the score of 6-5.

ROBINSON vs. W. ALLEGHENY

The West Allegheny Indians invaded the highly confident and winning Ramblers' territory, only to be manhandled and set back 4-1 by the section-seeking Ramblers. In defeating the Indians, the Ramblers chalked up their third straight victory.

ROBINSON vs. AVELLA

Our boys ventured to Avella with high hopes of attaining their fourth consecutive victory, and also maintaining their position as the leading team in Section IV. Their dazzling play apparently bewildered the Avella team, for the Ramblers made good their ambition by a score of 7-1.

ROBINSON vs. BURGETTSTOWN

Burgettstown played host to Robinson for the last game of the scheduled season. The Ramblers got off to a bad start and never achieved their regular form. Errors proved costly as the Ramblers lost their last game by a close margin of 4-3.

ROBINSON vs. BURGETTSTOWN

(playoff game)

Due to Burgettstown's late season victories which served to tie our Ramblers' record of four wins and two losses, a playoff-game was scheduled at Crafton Athletic Field. Robinson got off to a good start in the first inning with two consecutive hits to frustrate the Union boys. Behind beautiful pitching and potent hitting, the Ramblers became Section IV Champions by a score of 5-0.

The Robinson cheerleaders of 1955 have done an outstanding job in keeping up the spirit of our athletes. This year the girls have a new advisor, Mrs. Virginia Morrow.

Mrs. Morrow taught here several years ago, and returned this year. She accepted the task of being advisor to our cheerleaders.

She has offered her assistance whenever and wherever it was needed. Under her guiding hand, the club this year has obtained permission to have a regular meeting period. During this allotted time, they discuss helpful hints and money-making schemes to keep our girls looking their best. They have also been recognized as an accredited school organization by the Student Council.
